four Gospels Two is the death of Christ again found in the four Gospels And thirdly is the resurrection of Christ Number three being the most neglected part of the Gospel presentation If we follow the messages by Paul and Peter in the book of Acts we will see that all three elements are included We discuss how Satan has tricked and fooled us by his slick presentation as concerning the Gospel of Jesus Christ We teach how one person can lead many to Christ before we stand at the judgement seat of Christ This book will change you The Kingdom of God; Or, what is the Gospel?. Henry Dunn,1868 The Gospel

and Its Meaning Harry Lee Poe,1996 The Gospel speaks to a broad range of concerns concerns that differ from person to person group to group culture to culture Yet the practice of the twentieth century church has been to concentrate on one part of the Gospel repentance and justification as if it were the whole and to proclaim that part uniformly often without meaningful context that would demonstrate the relevance of Christ to the hearer The Gospel and Its Meaning breaks fresh ground for evangelism It equips the students of evangelism with theological foundations for reaching diverse groups from Hindi pantheists to radical environmentalists without compromising the Gospel s integrity The Gospel and Its Meaning Identifies the basic elements of the Gospel Shows the relationship of these elements to specific doctrines of theology Identifies theologians and systems that have focused on particular doctrines Shows which elements of the Gospel deal most clearly with various issues of evangelism Suggests avenues of ministry that can address each evangelistic issue By showing how different parts of the Gospel address the concerns of people within and without the Judeo Christian worldview The Gospel and Its Meaning helps those in any kind of evangelistic ministry to develop a means for connecting the Gospel directly to the world of the hearer while distinguishing it clearly from philosophies of relativism and pluralism The gospel of the grace of God, sermons Thomas Spurgeon,1884 The Transforming Power of the Gospel Jerry Bridges,2022-10

The Gospel According to Luke G. Campbell Morgan, 2010-05-01 G Campbell Morgan Reprint Series Foreword If it is true that the measure of a person's greatness is their influence not only on his own time but on future generations G Campbell Morgan must be regarded as a great person His greatness is seen not only in the wide impact of his ministry on both sides of the Atlantic but in the fact that his books are still read and studied sixty five years after his death Named one of the ten greatest preachers of the twentieth century by the contributing board of Preaching magazine Morgan made the Bible a new and living book not only to the congregations who listened to him but the vast multitude of persons who read his books For sixty seven years Morgan preached and taught the Scriptures and served churches in England and the United States What is remarkable is that his commentaries and expositions of the Bible still speak to persons of a new millennium There have been many changes in the world since he faithfully preached and taught the Scriptures but the wide appeal of his books testify to the timelessness of his message Although he held pastorates in the Congregational and Presbyterian denominations he had an ecumenical appeal to persons of all denominations and traditions The mystic Thomas Kempis once wrote He to whom the eternal word speaks is delivered from many opinions In one of his sermons he referred to the words of Amos that there would be a famine for hearing the word of God Amos 8 11 The timeless work of G Campbell Morgan addresses that hunger as his books enable his readers to get beyond opinions to the living Word Wipf and Stock Publishers have rendered a great gift to the religious world in reprinting dozens of Morgan's books This growing collection makes his books more available so that readers have an option other than searching the internet for used and often expensive copies Among this collection is the classic The Great Physician and commentaries on the Gospel of Matthew and John

Persons seeking a living faith and a meaningful encounter with God would profit from reading any of these Morgan books Near the end of his ministry in a sermon entitled But One Thing Morgan commented on how Portugal changed the words of a coin after Christopher Columbus discovered America No longer did the inscription say Ne Plus Ultra nothing more beyond but Plus Ultra more beyond It is the hope of the G Campbell Morgan Trust that the reprinting of these books will bring readers to the more beyond and an even deeper encounter with the Word in Scripture The Morgan Trust Richard L Morgan Howard C Morgan John C Morgan **The Gospel** David H. Yarn, 1979 **The Gospel of John**, 1975 **The Gospel** John Stott, 2019-06-20 What is the authentic gospel How do we answer the sceptics Christianity is not a religion but God's good news for the world This implies that it has both a divine origin and a human relevance it comes from God and it speaks to our condition So before we ask What is the gospel we need to ask What is a human being Chapter 1 The human paradox looks at what the Bible teaches and what our experience endorses the glory and shame of our humanness both our dignity as creatures made in God's image and our depravity as sinners under his judgement Chapter 2 Human freedom what is traditionally called salvation seen in terms of authentic freedom Chapters 3 and 4 The central themes of the death and resurrection of Jesus securing our freedom This section also looks at a number of objections and denials Chapter 5 The far reaching implications both for faith and for life Radical indeed is the discipleship which takes all of this and Christ's lordship seriously It's nothing short of a life changing message **The Gospel of Jesus** James M. Robinson, 2009-10-13 We know Matthew Mark Luke and John but what was the gospel of Jesus The message is intense and simple a valuable addition to the Jesus canon Booklist Is it possible to know what Jesus's original audience heard as the good news Jesus's gospel has been lost from sight hidden behind the version preferred by the church In **The Gospel of Jesus** James M. Robinson acclaimed expert on early Christian studies gets to the true historical message of Jesus **The Gospel of Jesus** draws on a combination of the most ancient and authentic texts to reveal what Jesus really said and to illuminate what he may still have to say to us today Robinson not only reconstructs the good news Jesus preached and practiced two thousand years ago but also shows how relevant that message still is and how we can apply it to our lives **The Gospel of Jesus** offers one of the most authentic and stirring accounts ever written of the message preached by Christ A dramatic account of the original messages of Jesus of Nazareth before honorific titles were applied to him and dogmatic statements were formulated about him a book of wisdom insight and passion Marvin Meyer author of **The Gnostic Gospels of Jesus** The distillation of a distinguished career devoted to the exploration of Christian origins a succinct account of what the historical Jesus taught Robinson's reconstruction of Q the sayings source underlying Matthew and Luke provides the script on which he builds his judicious and moving portrait of Jesus Harold Attridge Dean Yale Divinity School **The Gospel and Its Ministry** Robert Anderson, 1876 **Whatever Happened to the Gospel?** R.T. Kendall, 2018-02-06 Let's Get Down to the Truth You know the prosperity gospel The name it and claim it gospel The political gospel The messages being preached on at least 90 percent of religious television But what

about the Gospel What was it the apostle Paul was unashamed of Most Christians don t understand what the true Gospel of Jesus is In our church sanctuaries pastors neglect to preach the fear of God and eternal punishment Church communities have grown to believe that all are saved and none will be lost Meanwhile many other Christians lack assurance of their own salvation and focus on sanctification as their only ticket to Heaven They ignore what was historically introduced by Jesus filled out by the apostle Paul and articulated by the sixteenth century Reformers The Gospel has been brushed to one side and evidence of this is seen in how churches are misleading and even mistreating people IT S TIME TO BRING BACK WHAT IT REALLY MEANS TO BE SAVED Respected author and theologian R T Kendall sounds a wake up call for churches across the globe Whatever Happened to the Gospel seeks to reacquaint you with the Gospel and reignite a passion in your heart to know more of God
