## **The Gospel Of John Text And Context:**

*The Gospel of John* Francis Moloney,2005-06-01 Recognized as an innovative interpreter of the Gospel of John for decades Francis J Moloney has approached the sacred literature in a way that attends both to the details of the text and to the several contexts that gave life to the original story This text and context approach continues to enrich the reading and interpretation of the Gospel in today s world Gospel of John Text and Context gathers Francis Moloney s key studies on John s Gospel written over the course of his career The three sections of the work comprise studies of Johannine history theology and research exegetical studies ranging across all parts of the Johannine narrative and an exploration of how the Fourth Gospel came to be understood as sacred Scripture

### **Text, Context and the Johannine Community**

David A. Lamb,2014-04-24 Text Context and the Johannine Community adopts a new approach to the social context of the Johannine writings by drawing on modern sociolinguistic theory Sociolinguistics emphasizes language as a social phenomenon which can be analysed with reference not only to its broad context of culture but also through the use of register analysis to its narrower context of situation The Johannine writings have increasingly been seen as the product of a distinct Johannine Community depicted by some scholars as a sectarian group opposed both to wider Jewish society and to other Christian groups This model has largely been constructed on historical critical grounds yet given our lack of reliable external information about the origin of the Johannine writings a more fruitful approach may be to examine their lexico grammatical and discourse features to determine what these imply about interpersonal relationships This study compares selected narrative asides from the Gospel of John with a passage section from 1 John and with the two shorter Johannine Epistles It concludes that register analysis of these texts does not support the idea of a close knit sectarian group

*Experience* Daniel L. Smith-Christopher, 1995 In March 1992 a very unusual gathering of biblical scholars from around the world took place on the campus of Loyola Marymount University in Los Angeles Under the auspices of the Casassa Conference named for Fr Charles Casassa SJ these scholars came together to discuss papers and interact with each other on the issue of culture and biblical interpretation Coining the term Cultural Exegesis these scholars and students debated whether the cultural backgrounds and experiences of the readers of the Bible can not only influence conclusions about contemporary theological issues but even influence the methods and results of historical and literary critical methodologies
