

The Grail War

Diana Tixier Herald

The Grail War:

The Grail War Richard Monaco, 1979 Arthurian Legend in the Twentieth and Twenty-first Centuries Susan Austin, 2022-02-01 The King Arthur we imagine did not exist in history. He is the result of stories told and retold, changed and added to by storytellers for centuries, each making the story reflect the storyteller's time and values. The chapters in this book look at movies, manga, comic books, a television show, and traditional books released since 1960 to explore some of the ways King Arthur has been reimagined in the past 60 years. Interpreting Avalon, High and the Kind Who Would Be King, Camelot 3000, and King Arthur vs Dracula. Fate Zero. John Steinbeck's The Acts of King Arthur and His Noble Knights, the influence of Arthurian legend on Harry Potter, Terry Gilliam's The Fisher King, John Boorman's Excalibur, Jerry Zucker's First Knight, Antoine Fuqua's King Arthur, Guy Ritchie's King Arthur: The Legend of the Sword, Matthew Vaughn's Kingsman: The Secret Service, Iris Murdoch's The Time of the Angels, and the BBC series Merlin, the authors find that while we are still interested in the idea of King Arthur, we may also want his story to be more racially and gender inclusive, less elitist, and in some cases more secular.

Engendering Karl Fugelso, 2024 Essays on the postmodern reception and interpretation of the Middle Ages. Though Studies in Medievalism has hosted many essays on gender, this is the first volume devoted specifically to that theme. The first part features four short essays that directly address manifestations of sexism in postmedieval responses to the Middle Ages: gender substitutions in a Grail Quest episode of the 2023 television series Mrs. Davis; repurposed misogyny in the last two episodes of Game of Thrones (2011-19); traditional gender stereotypes in Capital One's credit card commercials from 2000 to 2013; and shaggy medievalism in Robert Eggers' 2022 film The Northman. The second part contains ten longer essays which collectively continue to demonstrate the ubiquity of gender issues and the extraordinary flexibility of approaches to them. The authors discuss the misogynistic sexualization of Grendel's mother in Parke Godwin's 1995 fantasy novel The Tower of Beowulf; in Graham Baker's 1999 film Beowulf in three episodes from the television series Xena: Warrior Princess; and in Robert Zemeckis's 2007 film Beowulf; gender substitution in David Lowery's 2021 film The Green Knight; and in Kinoku Nasu's and Takashi Takeuchi's anime series Fate (2004); female authorship of three early nineteenth-century plays about court ladies; medieval empowerment; extraordinary violence in medievalist video games; nationalism in fake nineteenth-century medievalist documents; and in contemporary online fora; racial discrimination in video gaming; and in Jim Crow literature and the condemnation of racism in Maria Dahvana Headley's 2018 novel The Mere Wife.

The Return of King Arthur Beverly Taylor, Elisabeth Brewer, 1983 The revival of interest in Arthurian legend in the 19th century was a remarkable phenomenon, apparently at odds with the spirit of the age. Tennyson was widely criticised for his choice of a medieval topic, yet The Idylls of the Kings were accepted as the national epic, and a flood of lesser works was inspired by them on both sides of the Atlantic. Elisabeth Brewer and Beverly Taylor survey the course of Arthurian literature from 1800 to the present day and give an account of all the major English and American contributions. Some of the works are well known but

there are also a host of names which will be new to most readers and some surprises such as J Comyns Carr's King Arthur rightly ignored as a text but a piece of theatrical history for Sir Henry Irving played King Arthur Ellen Terry was Guinevere Arthur Sullivan wrote the music and Burne Jones designed the sets The Arthurian works of the Pre Raphaelites are discussed at length as are the poems of Edward Arlington Robinson John Masefield and Charles Williams Other writers have used the legends as part of a wider cultural consciousness The Waste Land David Jones's In Parenthesis and The Anathemata and the echoes of Tristan and Iseult in Finnigan's Wake are discussed in this context Novels on Arthurian themes are given their due place from the satirical scenes of Thomas Love Peacock's The Misfortunes of Elphin and Mark Twain's A Connecticut Yankee at King Arthur's Court to T H White's serio comic The Once and Future King and the many recent novelists who have turned away from the chivalric Arthur to depict him as a Dark Age ruler The Return of King Arthur includes a bibliography of British and American creative writing relating to the Arthurian legends from 1800 to the present day *The New Arthurian Encyclopedia* Norris J. Lacy, Geoffrey Ashe, Sandra Ness Ihle, Marianne E. Kalinke, Raymond H. Thompson, 2013-09-05 First published in 1996 Now updated with a new information packed 40 page Supplement covering the years 1990 1995 this unique Encyclopedia highlights the World of King Arthur from its origins in Dark Age Britain to the present day when Arthurian novels films and music continue to appear around the world at an astonishing rate The Supplement which provides five full years of coverage not available anywhere else enhances the usefulness of more than 1 300 entries on all aspects of the Arthurian legend in literature history folklore archaeology art and music Written by an international team of over 130 authorities no other work approaches this A Z guide to the legends of King Arthur and his knights of the Round Table for breadth and depth of coverage This is the ultimate source for reliable information on topics as diverse as the Grail Tristan and Isolde Lancelot and Guenevere Arthurian operas the historicity of Arthur and more **The Oxford Guide to Arthurian Literature and Legend** Alan Lupack, 2007-04-26 The Oxford Guide to Arthurian Literature and Legend offers a comprehensive survey of the Arthurian legends in all their manifestations from the earliest medieval texts to their appearances in contemporary culture Essential reading for Arthurian scholars medievalists and for those interested in myth and legend *Fantasy Newsletter*, 1981 **Parsival** Richard Monaco, 1984 A retelling of the the legend of King Arthur and the Knights of the Round Table **MLN.**, 1899 Provides image and full text online access to back issues Consult the online table of contents for specific holdings *Arthurian Literature*, 2005 **To be Continued** Merle Jacob, Hope Apple, 1995 This guide identifies both in print and out of print works of fiction featuring continuing themes plots or characters in which there is a sense of development and passage of time Entries are arranged alphabetically by author and are accompanied by bibliographic information *Fluent in Fantasy* Diana Tixier Herald, 1999-06-15 Presents annotated lists of fantasy titles grouped by subgenre with interest levels and award indicators and includes a discussion of fantasy providing a historical overview and working definition of the genre **The Complete Book of Science Fiction and Fantasy Lists** Maxim
