## **The Great American A Novel:**

The Great American Novel Philip Roth,2013-07-02 Philip Roth's richly imagined satiric narrative The Great American Novel turns baseball's status as national pastime and myth into an unfettered farce. Featuring heroism and perfidy, lively wordplay and a cast of characters that includes the House Un American Activities Committee Roth is better than he's ever been before. The prose is electric. The Atlantic Gil Gamesh is the only pitcher who ever tried to kill the umpire and John Baal The Babe Ruth of the Big House never hit a home run sober. But you've never heard of them or of the Ruppert Mundys the only homeless big league ball team in American history because of the communist plot and the capitalist scandal that expunged the entire Patriot League from baseball memory    The great American novel William Carlos Williams,1980

**The Dream of the Great American Novel** Lawrence Buell,2014-02-10 Magisterial make's you suddenly see new things in familiar books brilliant analyses of a dozen or so front runners in the Great American Novel sweepstakes Michael Dirda Virginia Quarterly Review The idea of the great American novel continues to thrive almost as vigorously as in its nineteenth century heyday defying more than 150 years of attempts to dismiss it as amateurish or obsolete. In this landmark book the first in many years to take in the whole sweep of national fiction Lawrence Buell reanimates this supposedly antiquated idea demonstrating that its history is a key to the dynamics of national literature and national identity itself. The dream of the G A N as Henry James nicknamed it crystallized soon after the Civil War. In fresh in depth readings of selected contenders from the 1850s onward in conversation with hundreds of other novels Buell delineates four scripts for G A N candidates and their themes illustrated by such titles as The Scarlet Letter The Great Gatsby Invisible Man Uncle Tom's Cabin Beloved Moby Dick and Gravity's Rainbow works dwelling on topics from self invention to the promise and pitfalls of democracy. The canvas of the great American novel is in constant motion reflecting revolutions in fictional fashion the changing face of authorship and the inseparability of high culture from popular. As Buell reveals the elusive G A N showcases the myth of the United States as a nation perpetually under construction. Engaging and provocative ultimately affirms the importance of literature to a nation's sense of itself. Sarah Graham Times Literary Supplement Rich in critical insight Buell wonders if the GAN isn't stirring again in surprising new developments in science fiction. The great American novel Philip Roth,1969    **The Great American Novel** William Carlos Williams,2021-05-28 The Great American Novel 1923 is an experimental novel by William Carlos Williams. Although he is predominately known as a poet Williams frequently pushed the limits of prose style throughout his career. In the defining decade of Modernism Williams sought to try his hand at the so called Great American Novel a concept fueling impassioned debate in academic and artistic circles nationwide. Far from conventional Williams' novel is a metafictional foray into matters more postmodern than modern a commentary masquerading as narrative and a satire of the all American overreliance on cliché in form and content. If there is progress then there is a novel. Without progress there is nothing. Everything exists from the beginning. I existed in the

beginning I was a slobbering infant Today I saw nameless grasses I tapped the earth with my knuckle It sounded hollow It was dry as rubber Eons of drought No rain for fifteen days No rain It has never rained It will never rain Williams novel begins with the word and a birth Language describes the experience of awakening to experience of coming into consciousness as a living being in a living world Using words from everyday speech he builds a novel out of observations a book that remains conscious of itself throughout Like the child whose first experience with the written word often comes from names and slogans stretched over trucks and billboards the reader eventually comes to accept their new reality a world where people love and succeed and fail where history and art intercede to make meaning where they can The Great American Novel showcases Williams experimental form stretching the meaning of novel to its outermost limit With a beautifully designed cover and professionally typeset manuscript this edition of William Carlos Williams The Great American Novel is a classic of American literature reimagined for modern readers The American ,1897 Half-hours with the Best American Authors ,1887 The Great American Novel (Heathen Edition) William Carlos Williams,2024-02-22 The Great American Novel by William Carlos Williams is the story of a man obsessed with beginnings writing a story of his attempt to repeatedly begin a story **100 Great American Novels You've (Probably) Never Read** Karl Bridges,2007-09-30 From Elizabeth Stoddard s The Morgesons and Anzia Yzierska s The Bread Givers to Laurie Colwin s Shine On Bright and Dangerous Object and Chet Raymo s The Dork of Cork here are some of the forgotten gems of American literature Bridges has compiled a diverse list of 100 American novels published between 1797 and 1997 and worthy of the title great Although the idea is to bring light to the obscure these titles are physically accessible to readers either in print or represented in library collections and available through library loan The Century Illustrated Monthly Magazine ,1884 **Library of the World's Best Literature** Charles Dudley Warner,1898 Blix Frank Norris,1899 Current Literature ,1891 **The International Library of Famous Literature** Andrew Lang,Donald Grant Mitchell,1898 The Best American Short Stories ... and the Yearbook of the American Short Story Martha Foley,Edward Joseph O'Brien,1944 Includes the Yearbook of the American short story 1978 1980 **The American Commonwealth** James Bryce Bryce,1888 Philomène's Marriages Henry Gréville,1879 **University of Virginia Magazine** ,1886 **The Great American Novel** Christopher Grey,2020 **The Astrophysical Journal** ,1897 Letters to the Editor issued as Part 2 and separately paged from v 148 1967 Beginning in 2009 the Letters published only online
