## **The Great Frontier:**

The Great Frontier Walter Prescott Webb, 1952

**International Regimes for the Final Frontier** M. J.

Peterson, 2012-02-01 Neither rational choice theory with its emphasis on interest calculation nor sociological institutionalist theory with its emphasis on identity defined rule following indicates how governments determine which of their multiple interests or identities are at stake in a particular situation or how they develop mutual comprehension of each other's goals. International Regimes for the Final Frontier addresses these gaps by tracing how governments approach an unfamiliar issue in this case international agreements regulating human activity in outer space between 1958 and 1988 and examines three ways situation definitions channel governments' approaches to issues or problems. *The great frontier : freedom and hierarchy in modern times*, 1983

Scarcity and Frontiers

Edward B. Barbier, 2010-12-23

Throughout much of history a critical driving force behind global economic development has been the response of society to the scarcity of key natural resources. Increasing scarcity raises the cost of exploiting existing natural resources and creates incentives in all economies to innovate and conserve more of these resources. However, economies have also responded to increasing scarcity by obtaining and developing more of these resources. Since the agricultural transition over 12,000 years ago, this exploitation of new frontiers has often proved to be a pivotal human response to natural resource scarcity. This book provides a fascinating account of the contribution that natural resource exploitation has made to economic development in key eras of world history. This not only fills an important gap in the literature on economic history but also shows how we can draw lessons from these past epochs for attaining sustainable economic development in the world today.

**The Great War** Herbert Wrigley

Wilson, Sir John Alexander Hammerton, 1916

**The Great Frontier War** William Nester, 2000-02-28

For more than a century and a half from 1607 to 1763 Britain and France struggled to master the eastern half of North America. They fought five blood-soaked wars and continuously provoked various Indian tribes to raise arms against each other's subjects for the mastery of the land. The last French and Indian War from 1754 to 1760 would dwarf all previous conflicts in the number of troops, expense, geographical expanse, and total casualties. Placing the French and Indian War in a broad historical context, this study examines the struggle for North America during the two preceding centuries and includes not only the conflict between France and Britain but also the parts played by various Indian tribes and the other European powers. The last French and Indian War makes for colorful reading with its array of inept and daring commanders, epic heroism among the troops, far-flung battles and sieges, and creaking fleets of warships. Ironically, America's most famous founder, George Washington, helped to spark the war first by trudging through the wilderness in the dead of winter with a message from Virginia Governor Dinwiddie to the French to abandon their forts in the upper Ohio River valley; then a half year later by ordering the war's first shots when his troops ambushed Captain Jumonville; and finally when he ignominiously surrendered his force at Fort Necessity and unwittingly signed a surrender document in French naming himself Jumonville's assassin.

Topical chapters discuss the economic political social and military attributes of the participants and narrative chapters examine the campaigns of the war s first two years      *New York Magazine* ,1989-06-19 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea      **The Great Round World, and what is Going on in it** ,1897      **Macmillan's Magazine** ,1885      *The Architect and Contract Reporter* ,1896      **The Men Who United the States: The Amazing Stories of the Explorers, Inventors and Mavericks Who Made America** Simon Winchester,2013-10-15 From bestselling author Simon Winchester the extraordinary story of how America was united into a single nation      **The Athenaeum** ,1894      *The Asiatic Quarterly Review* ,1886      **The Life and Correspondence of Thomas Valpy French** Herbert Birks,1895      *The Spectator* ,1879 A weekly review of politics literature theology and art      **Allen's Indian mail and register of intelligence for British and foreign India** ,1887      **Journal of the Military Service Institution of the United States** Military Service Institution of the United States,1899      *Texas Legislators News Digest* ,1963 Directory and statistics called 1954 Directory of Texas libraries issued as Apr number 1954 58 Apr 1954 as Special ed      **The Nation** ,1878      **History of the Consulate and the Empire of France Under Napoleon** Adolphe Thiers,1883
