Understanding Veselin Penef, 2022-01-28 The book reveals the Reality of Life. Life's origin, Life's reason for existence is answered. The personal choice for the self, self creation is shown. Life's Eternity, Life's Indestructible Nature is proven. The immortality of the soul is proven. The book proves God's existence. Unlimited power is disproven. The philosophy of the book is titled the one philosophy. The One Philosophy includes all opposites the Middle Ground between which is taken and confirmed. All that is lacking of the good is exposed. Philosophy is the answer to knowledge of the good not religion not democracy. The philosopher king is advocated. The three main human objectives are put forth: understanding of Life's laws, the creating of the good society, the need to live in peace. Only philosophy has the answers. This book marks the new human beginning. It is groundbreaking. The phony not so peaceful and loving the real Jesus Christ is exposed. The destruction of Jesus Christ is complete. The greatest human questions are answered. The basis of future humanity will be the One Philosophy.
