## **The Great Ones:**

**The Great Ones** Ridgely Goldsborough, 2009-11-13 A business fable on the power of mentors and essential keys to success in business life and relationships When it comes to personal and professional success few relationships prove more vital and powerful than that of mentor and student Unfortunately most of us seldom gain access to a thoughtful mentor who can help guide us to success in whatever we do In the format of a business fable The Great Ones reveals the importance of mentors and the pivotal difference a great mentor can have on one's life This parable follows a wise old man as he shares his pearls of wisdom with a young boy about to go out into the world on his own Through these poignant and sometimes painful lessons the boy learns to navigate life's minefields develop sound judgment apply the law of accumulation cement the value of giving your all assess risk and reward and much more In the end he unlocks the treasures within that we all need to become a Great One A business fable that teaches critical and needed skills for life long success in business Reveals the ageless power of the mentor student relationship Perfect for anyone seeking to succeed in their chosen field who can benefit from a personal mentor A classic guide for novice and veteran entrepreneurs looking to get to the next level Life and business wrought with endless ups and downs calls out for the wisdom of a dedicated mentor and friend to help you get through them successfully The Great Ones acts as the perfect success guide for anyone on the path to business achievement
