the French one it made a fearful row at Liszt s That is the poorest one I replied read the German one but only the last volume is for you the contemplation of the last works for instance the A major Sonata Op 101 Holz and others in Vienna supplied me with some hitherto unknown particulars concerning it The A major is in that It is my favorite That shall be taken care of I will read it to day He took down the book and laid it on the table in the drawing room We went into the next room where the first piano presented itself On The Great Piano Virtuosos of Our Time from Personal Acquaintance Wilhelm von Lenz,1973
