wines that offers the history of each domaine along with a guide to the great vintages and an address book to the vineyards. Newly commissioned photographs capture the region throughout the seasons making this handsome volume both a glorious voyage and an important reference for any wine lover. The wineries stand beside the stunning properties and belie the meticulous and magical work that they shelter where a long line of elite winemakers fastidiously watch over the laborious tradition that has defined these exceptional wines for more than 150 years. A chateau's history can be a riveting saga but it invariably demonstrates that the splendor of great Bordeaux wines resides in perfect balance. This volume includes a focus on Chateau d'Yquem, a Premier cru suprieur and the only wine of the Sauternes region to be awarded this rating through the 1855 classification.

Over the past twenty five years renowned critic Robert M Parker Jr has visited both legendary and fledgling wineries all over the world and has tasted hundreds of thousands of wines. Only a fraction of those wines have earned his highest ratings and are considered by him to be truly legendary. In his latest book Parker brings together what he calls the best of the best taking readers on a personal tour of the wineries that have impressed him most with their dedication to quality consistency and excellence. The World's Greatest Wine Estates pays homage to exceptional wines and the exceptional people who make them. These lavishly illustrated pages showcase 175 of the world's most accomplished and most spectacular estates. Parker goes beyond the labels, bottles and ratings to present the land, the history and the dedicated artisans practicing their craft. Though they form a wildly diverse group, all of these producers share an inexhaustible commitment to their vineyards, a passion to produce as fine a wine as is humanly possible and a vision that the joys of wine are infinite and represent the pinnacle of a civilized society. Parker begins with an overview of what makes a wine great: the ability to please both the palate and the intellect, to offer intense aromas and flavors without heaviness, to improve with age, to reflect its place of origin as well as the skill of its producers and explains how he came to choose the profound wines he features here. He also offers insider tips for ordinary wine lovers who want to get their hands on extraordinary bottles. The heart of the book contains profiles of the greatest estates of Argentina, Australia, Austria, France, Germany, Italy, Portugal, Spain and the United States. Each region is illustrated with a full color map and accompanied by an introduction explaining the general wine history of the country. In his profiles of individual estates Parker offers essential

geographical information such as grape varieties average age of the vines and density of plantation details about the estate's history and techniques and the wines it produces visiting information for those who want to see the process up close and tasting notes on the best recent vintages from each winery Each profile also includes photographs of the vineyards and the people behind the wines and labels from their best known vintages Complete with a list of up and coming wineries Future Stars and a glossary of wine terms The World's Greatest Wine Estates is a very special reference for amateurs and connoisseurs alike
