**The Growing Church** Bob Russell, Rusty Russell, 2007-06 This is a ten week small group or individual Bible study of the book of Titus The Kingdom of God is much more than announcing the minimum requirements necessary to get to heaven It's about transforming lives to be like Christ Everyone in the church is still a work in progress How do we grow up and be like our Lord Jesus How can we help His church grow A great place to find the answers to these questions is the book of Titus

Movement has divided devout Christians Even though Rainer is an advocate his aim here is to present an objective view of the movement its history the theology associated with it and the principles which seem to separate churches that grow from those that don't     The Growing Church Cleland Boyd McAfee,1903     GROWING CHURCH SPIRITUALLY ISAIAH MACWEALTH, There is a spirit or attitude that is required to attain church growth This spirit or attitude is an indication that church growth and explosion are near The spirit of church growth refers to the prevailing quality or attitude displayed by one who wants to experience church growth This refers to the dominating characteristics that a church or pastor who desires church growth should display When I see a minister who truly wants his church to grow there are some tendencies and dispositions that I observe that make me know that the person is gearing up for church growth I see a hunger that often translates into actions that in time trigger church growth Therefore any pastor who will experience church growth must also carry this attitude or spirit This is what I intend to expose you to in this book I will expatiate on the spirit of wisdom the heart of sacrifice spiritual prayers and the spirit of faithfulness     **Christian Literature and Review of the Churches** ,1894
