The final exam will cover chapters 6, 7, 8 and 9, with a few very basic questions from chapters 10 and 11. Recommended ways to prepare for final exam.

- ***review objectives, notes, worksheets, charts, quizzes and exams.**
- ***make your own study guide**
- if you missed questions on test or quizzes, reread those topics in the textbook
- practice problems from each chapter. Appendix D in Pearson Chemistry has a problem bank with many of the answers included in the appendix. Use these for practice
- use quizlets for reviewing vocabulary, naming compounds, or other topics, most chapters of Pearson have quizlets already made or you can make your own... I have reviewed the quizlets listed on your powerschool pages and listed only those I felt were accurate.
- Study buddies, quizzing classmates or other students taking chemistry
- Take the standardized test in the textbook at the end of each chapter. I will post the answers to each of these

The exam will consist of 65-80 questions, all multiple choice. There will be copies of the periodic table, polyatomic ion chart, and transition metal charts attached to the back of the exam. You will need your calculator to complete the final exam.

God's Perfect Plan Mark Paul Bishop, 2011-06 While working in the ER one evening the nurse called to tell me that Pastor Steve would like to talk with me As I shared my thoughts with Pastor Steve the simplicity of his responses almost left me speechless It was from this life changing conversation that Dr Mark Paul Bishop began a life devoted to Christ exhausting his human potential in service to his fellow man *God's Perfect Plan* is Dr Mark's spiritual autobiography and details his faith journey as he wrestles with issues directly pointing to the deficiency of our lives a deficiency that he learned can only be filled through a relationship with Christ Readers will be inspired as they seek their own answers to questions regarding God's perfect plan in their own lives Woven into the fabric of God's perfect plan for you you will discover the role of our social institutions of the family church school community and government You will be further amazed by the manner in which God incubates His plan for your life through His divine guidance and protection See how this family physician despite skepticism and wavering faith demonstrates how God's purpose and plan is clear in our lives if we only look for it The practical application of Christianity is not a myth it really does work See for yourself as you discover God's perfect plan [Chemistry Student Study Guide](#) James E.
