Masses and Motets Jeffrey DeShell,2019-10-08 A crime novel loosely based on the masses and songs of the 17th century Flemish composer Pierre de la Rue Masses and Motets is a tale composed of four basic interwoven threads corresponding to the four part choral writing of Pierre de la Rue s service music The first thread comes from the diaries of a recently murdered priest Father Andrea Vidal former secretary to the notorious Father Marcial Maciel The second thread is the mystery story a police procedural focusing on the efforts of Denver detective Francesca Fruscella to solve the murder and retrieve Vidal s diary The third strand is the story of Father Signelli a priest sent from the Vatican to fix the murder And the fourth strand explores the best and worst of Catholic culture art and music created by Catholic artists and sexual abuse by Catholic priests Vidal s narrative is the story of a priest who systematically sincerely and hopefully tries to destroy his very self through sex drinking and drugs in order to get closer to God Fruscella s story is that of a middle aged female detective trying to solve a ghastly murder while constantly battling the sexism of the Catholic Church Signelli s tale is that of an older career priest who in doing the bidding of his superiors to fix problems that threaten the order of the Church has perhaps compromised his own soul By no means a simple narrative of wicked priests this is a story of men who desperately want to believe as well as a story of what this belief might shelter and cost
