Taiwan's Security And Air Power:

Taiwan's Security and Air Power Martin Edmonds, Michael Tsai, 2003-10-23 Recent concern about mainland China's intentions towards Taiwan and more general concern about the risk of instability in the region has led to growing interest in Taiwan's military strategy This book brings together a range of experts from the West and from Taiwan itself who examine the key issues connected with Taiwan's air power which is a key

Defending Taiwan Martin Edmonds, Michael Tsai, 2013-10-18 Recent concern about mainland China's intentions towards Taiwan and more general concern about the risk of instability in the region has led to growing interest in Taiwan's military strategy in how Taiwan perceives threats to itself and in how the Taiwanese military are reacting to these perceived threats This book which includes contributions by leading Taiwanese military thinkers explores current military strategy in Taiwan and how it is evolving It discusses Taiwan's military modernisation and the implications of the recent defeat after fifty years in power of the Kuomintang Party implications which include a move away from an authoritarian garrison state culture and the beginnings of a more open debate about defence The book concludes with an overall appraisal of Taiwan's defence vision and makes recommendations on how Taiwan's defence might be enhanced

Taiwan's Security Bernard Cole, 2006-06-19 This is the first explanation and evaluation of Taiwan's defence forces and infrastructure It examines not only Taiwan's armed forces but also its Ministry of National Defence personnel issues and civil military relations This book provides crucial base line data and evaluation of one of the major participants in an ongoing crisis across the Taiwan Strait that has the potential of involving China and the United States in armed conflict It examines the danger of a possibly nuclear conflict between China and the United States which would seriously disrupt all of East Asia It also shows how Taiwan's defence policies and actions do not match the threat Taipei needs to develop and pursue realistic policies This is essential reading for all students of East Asian security and Sino American relations and of international and security studies in general

Assessing the Threat: The Chinese Military and Taiwan's Security , Since at least the early 1950s the entire Asia Pacific region has struggled with the complicated and complex relationship between China and Taiwan today the Taiwan question is considered a potential flashpoint for a much larger international conflict Bringing together experts from the United States and Taiwan Assessing the Threat provides a comprehensive look at the dangers of military escalation in the Taiwan Strait the latest advances in capabilities of the People's Liberation Army and China's security relationship with the United States and the Asia Pacific There is increasing concern that Beijing is steadily shifting the balance of power across the Taiwan Strait in its favor Recent advances in Chinese air and naval power along with changes in PLA doctrine have the potential to weaken deterrence and destabilize the cross strait military balance At this critical juncture there is no question that this issue requires sustained detailed analysis and that many measures can and should be taken to reduce the threat of conflict between China Taiwan and the United States Assessing the threat offers such analysis as well as concrete suggestions and crisis management practices for government
