The Grey Beginning:

The Grey Beginning L.J. Boles, 2014-08-27 As a child Grey learned the ways of healing and the mysteries of spirits. She also learned how to make and keep good friends. As she nears adulthood she believes the world has nothing more to teach her. When she comes of age she and all the other children of her family are sent on a journey but Grey quickly learns there is more to life than she thought. She knew Grey's problems begin when she realizes she left her maps and equipment behind. Her nights are soon filled with danger and fear. In order to survive she must learn quickly. She finds a way to build a shelter to keep her warm during the night. She also finds protection from animals who may mean her harm. One of the animals she meets is Wolf who she befriends. Along her way she meets many animals, spirits, and people who teach her things and help her grow. In secret, Gray has another protector named Red. Red is to follow and protect young Grey but they are never to meet until this unexpected journey brings them face to face. Gray was wrong; she has a lot to learn and if she lives through her journey she will be stronger for it.

Sir Charles Grey, First Earl Grey Paul David Nelson, 1996 Considering Grey's importance and the prominence of the family he helped to found, it is surprising that he has been neglected by history. Only a short sketch in the Dictionary of National Biography and an article by Sir John Fortescue in the Edinburgh Review have ever attempted even perfunctory assessments of his life. As a man and an army officer, Grey represented some of the best qualities of eighteenth century British civilization. In America he fought during the War of American Independence and in 1794 in the West Indies against France. Hence as Nelson shows, his career is important in American History. Given his long service to the British nation in all her wars from 1744 to 1800, it is clear from Nelson's account that Grey is an important character in British history as well. During his lifetime Grey proved himself a reliable and successful soldier, earning and deserving all his honors: Knight of the Bath in 1782, baron in 1801, viscount and earl in 1806.
