

THE HILLARY TRAP

LOOKING FOR POWER IN ALL THE WRONG PLACES

BY LAURA INGRAHAM

The Hillary Trap

New York Times Staff

The Hillary Trap:

The Hillary Trap Laura Ingraham, 2000-06-07 A high profile political pundit issues a wake up call to women and illuminates the paradoxes and pitfalls they face in today's world. The Hillary Trap directly challenges Hillary Clinton's status as a positive role model and takes a hard look at the status of women in America. **The Hillary Trap** Laura Ingraham, 2003

The Clinton Charisma Donald T. Phillips, 2007-10-16 It is often overlooked but Bill Clinton assumed the presidency in one of the most difficult times in our nation's history. The country was in a deep recession, the end of the Cold War had created new threats to our national security and our health care system was in shambles. The country has now come full circle. Leadership has been replaced with self interest, cronyism and fear. More than ever, Bill Clinton's candor and success in adversity warrant revisiting during this age of a closed door administration and governmental incompetence. The Clinton Charisma is a fascinating prescriptive guide that reveals the former president's complex leadership techniques, including his attention to public opinion, his ability to take quick corrective action and his efficient damage control in the face of political and personal difficulty. From diversity to decisiveness, from consensus to compromise, each chapter explores how Clinton employed important leadership principles and the ways in which they were or were not effective. The author asks in the introduction, 'Are there lessons to be learned from his time in office from his damage control strategies, from his ability to implement diversity or from his decision making process? The answer, as Donald T Phillips's *The Clinton Charisma* makes compellingly clear, is yes.'

The Clinton Wars Sidney Blumenthal, 2003-05-23 With a reporter's keen eye for telling detail, a former advisor reconstructs the political turmoil of the Clinton presidency. Powerful Persuasive Robert Dallek, *The New York Times Book Review*. When in 1997 Bill Clinton appointed Sidney Blumenthal as a senior advisor, the former journalist was catapulted into the front lines of the Clinton wars. From his first day in the White House until long after his appearance as the only presidential aide ever to testify in an impeachment trial, Blumenthal acted in or witnessed nearly all the battles of the Clinton years. *The Clinton Wars* begins in 1987 when Blumenthal first met Bill and Hillary Clinton. His chronicle of Clinton's first presidential campaign and first term draws on his experiences as confidant to both the President and the First Lady and is enriched with previously unpublished revelations about both. This remarkable personal interpretation goes far in explaining the polarizing nature of Clinton's presence on the national scene. The narrative of Clinton's second term is even more dramatic. Blumenthal takes special note of the battle that was waged within the media between the President's detractors and defenders, which he expands into a vivid picture of Washington society torn apart by warring factions. But he does not neglect the wars fought on other fronts in Kosovo against Congress and for economic prosperity. Every page of this authoritative book attests to Blumenthal's unique perspective on crucial events of America's recent political past. *The Clinton Wars* is a lasting contribution to American history. Riveting Blumenthal's account of the right wing conspiracy which sought to annihilate Clinton is both chilling and irrefutable. Adrienne Miller, *Esquire*. Brutally revealing Andrew Sullivan, *The New*
