Wyndham,1952 **The Household Cavalry at War** Roden Powlett Graves ORDE,1953 *The Household Cavalry at War* Roden Orde,2024-01-30 The Second Household Cavalry Regiment s war was a short and exciting one from Normandy in July 1944 to Germany in May 1945 In the vanguard of the Guards armored Division 2 HCR an armored reconnaissance regiment was continuously on the advance and rarely out of contact with the enemy Sometimes progress was slow and grinding while at other times it was with exhilarating speed Written shortly after the War this book draws on the recollections of those who were in the thick of the action the young troop leaders their corporals of horse and troopers Roden Orde has taken great care to weave an accurate balanced and readable account the story of an entire regiment from the commanding officer to the youngest trooper This inclusive style was ahead of its time with a narrative that has a contemporary feel to it The story cracks on and Sir Winston Churchill later described it as the best regimental history I have ever read The book is well illustrated with many contemporary photographs hand drawn maps and wonderful paintings and drawings some of which have not been seen for many years The Household Cavalry at War Humphrey Wyndham,1952 Army Circulars Great Britain.
