Somebody Elses Mama:

Before Anyone Else Leslie Hooton, 2020-03-24 As a designer of upscale restaurants 30 year old Bailey Ann Edgeworth can go into an empty space and immediately see what it would take to transform it into a beautiful and memorable spot She learns transforming her own life is another proposition entirely It can get messy and it doesn't always go according to a neat blueprint Bailey's brother Henry and his best friend Griffin are stars in the restaurant field They are known as the Color Wheel Boys because of their renowned Buckhead restaurants Vert Blanc and Noir Bailey is determined to chart her own course to not be forever known as Hank's daughter Henry's sister or whatever she is to Griffin Bailey's dreams propel her to New York where her vision garners accolades and fame After a perceived rejection by Griffin she rushes into an impetuous marriage with an enigmatic English chef Their combined charisma and desire lift them to the top of the culinary world Just when she seems on the verge of having it all a shocking betrayal throws Bailey's world into chaos She begins a spectacular downfall complete with secretive drug use shady associates and her career in turmoil Just what are the secret ingredients to transforming food a dilapidated building and one's own life into something extraordinary Before Anyone Else examines the complicated relationship between love and ambition and explores how our earliest relationships and experience shape us into who we ultimately become

Ethnomusicologizing Bill Banfield, 2015-08-13 In Ethnomusicologizing Essays on Music in the New Paradigms composer and musicologist brings together a series of essays on music making in contemporary culture More specifically it focuses on the myriad ways we engage with music as makers as listeners as consumers as producers Banfield labels this fully engaged process as ethnomusicologizing as he explores the ways we create share teach and discuss music Throughout he argues that music is more than the experience of structured sound It is rather a way of being more critically present as musicians and as citizens of sharing in the world itself Ethnomusicologizing contains writings on contemporary music and culture studies offering glimpses on more than just music history through reflective essays interviews with contemporary artists and exercises in the analysis and criticism of popular culture In this work Banfield instructs readers in the ways by which we may better appreciate and understand creative artistry and process and their relation to history and its meaning The essays comprise a choir of voices and perspectives that provide insight into contemporary music culture that provide readers a text that uses his own experiences as a musician and in particular his travels through the musical world of Cuba as well as his takes on contemporary popular recording artists American music traditions and music education to explore every aspect of creating performing and being in music Offering many points of entry into the idea that musical experience global citizenship and community mindedness are all parts of a greater whole Ethnomusicologizing encourages artists and readers to talk about the meaning of music and art more generally in entirely new ways

Modello Jack Pransky, 2011-02 Modello is the true story from beginning to end of how Dr Roger Mills and staff accomplished the miracle in the Modello and Homestead Gardens Housing Projects applying the Three Principles Health

Realization approach based on a new spiritual psychology Through extensive interviews with residents as well as Dr Mills his staff and other professionals a very compelling and moving portrait is painted of how two low income inner city housing projects replete with violence crack drug gangs abuse welfare dependency and hopelessness were completely turned around within two and a half years This book shows how people who lived in the most difficult circumstances were reached came to find hope and changed their lives In all my years in prevention I have never seen this level of change in people It is a truly inspirational story The lives of people on whom society has given up were completely turned around At the same time it is a sociological study It shows how a new and different inside out spiritual paradigm which on the surface seems too simple and backwards to possibly work in such overwhelming conditions can produce incredible results and create changes in people s lives that stand head and shoulders above the traditional outside in paradigm for prevention human services social work community development and education It has vast implications for improving humanity s social ills About the Author Jack Pransky Ph D is founder director of the Center for Inside Out Understanding He authored the books Somebody Should Have Told Us Simple Truths for Living Well Parenting from the Heart Prevention from the Inside Out Prevention The Critical Need and co authored Healthy Thinking Feeling Doing from the Inside Out prevention curriculum for middle school students Pransky has worked in the field of prevention since 1968 in a wide variety of capacities and now provides consultation training counseling and coaching from the inside out throughout the U S and internationally He is also cofounder director of the nonprofit consulting organization Prevention Unlimited which created the Spirituality of Prevention Conference In 2001 his book Modello received the Martin Luther King Storyteller s Award for the book best exemplifying King s vision of the beloved community and in 2004 Jack won the Vermont Prevention Pioneer s Award Jack can be contacted through his website at www.healthrealize.com The Serpent and the Spirit Thomas G.
