## Tainted Purity:

**The Lusiad** Luís de Camões, 1807    **Tao-Sheng's Commentary on the Lotus Sūtra** Young-ho Kim, 1990-09-06 Chu Tao sheng stands out in history as a unique and preeminent thinker whose paradigmatic original ideas paved the way for the advent of Chinese Buddhism. The universality of Buddha nature which Tao sheng championed at the cost of excommunication was to become a cornerstone of the Chinese Buddhist ideology. This book presents a comprehensive study of the only complete document by Tao sheng still in existence.    **THE COMPLETE COMMENTARY BY ŚĀNKARA ON THE YOGASŪTRA** S Trevor Leggett, 2023-06-06 The text translated here is an historical find: an unknown commentary on the Yoga Sutras of Patanjali by Sankara, the most eminent philosopher of ancient India. Present indications are that it is likely to be authentic, which would date it about AD700. The many references to meditation in his accepted works have sometimes been regarded as concessions to accepted ideas of the time and not really his own views. If he has chosen to write a commentary on Yoga meditation, it must have been a central part of his own standpoint, although he was opposed to some of the philosophical doctrines of the official Yoga school. One would expect a tendency to modify these unacceptable doctrines if this text is really by Sankara. This turns out to be the case. T P Leggett. Introduction for the general reader, 1990. Leggett's translation of the Vivarana did not receive the attention it deserved when it first came out. Some of the points that he raised are well worth consideration in the context of the authorship problem and his contribution to the debate should be recognised. Dr Kengo Harimoto in his Foreword to the e-book edition, 2017. When enthusiasm flags, read sutras 11, 15, 17, look around you and see how anxiety, pain and death are rushing towards us like an express train. Yoga is a way to escape them. T P Leggett. How to use this book for Yoga Practice, 1990. Excerpts from The Complete Commentary by Sankara on the Yoga Sutras by Trevor Leggett.    **Rethinking Japanese Modernism** Roy Starrs, 2011-10-14 Edited by Roy Starrs, this collection of essays by an international group of leading Japanese scholars presents new research and thinking on Japanese modernism, a topic that has been increasingly recognized in recent years to be key to an understanding of contemporary Japanese culture and society. By adopting an open multidisciplinary and transnational approach to this multifaceted topic, the book sheds new light both on the specific achievements and on the often unexpected interrelationships of the writers, artists and thinkers who helped to define the Japanese version of modernism and modernity. Specific topics addressed include the literary modernism of major writers such as Akutagawa, Kawabata, Kajii, Miyazawa and Murakami; avant garde modernism in painting, music, theatre and in the performance art of Yoko Ono; and the everyday modernism of popular culture and of new urban activities such as shopping and sports.    **Turning Dreams to Chaos** Tamara Hollins, 2011-10 Doctoral Thesis. Dissertation from the year 2003 in the subject American Studies. Literature grade: None. Claremont Graduate University. 233 entries in the bibliography. Language: English. Abstract: This work will reflect on the mutability of meaning in the female mulatto body as well as on the mutability of perception by acknowledging the erroneous nature of race and its concrete results by examining the

valorization and undermining of racial essentialism and heterogeneity and by revealing passing as bound by the social and legal restraints related to the physical body even as it interrogates racial classifications. Specifically this study will explore how some nineteenth century modern and postmodern American narratives containing mulattoes and passing personas produce a resolution reiterating the structure of race or new subjectivities within or possibly without the color line. Through this exploration the war between the homogenous Self and the different Other will play out. In an effort to unite a divided personality the Other will counter attempts by the Self to maintain essentialism. The success lies not in the final outcome but in recognizing the subversive acts of the Other and the irrational tactics of the Self as continuously revealing the subjects as always already married and as surpassing mere essentialism into the multitudinous heterogeneous One. Still this work realizes that essentialism has a place in heterogeneity even if essentialism is a logical error. Duality and conflict are inherent in heterogeneity or the multitudinous One. The key is not to eradicate in an essentialist manner one and not the other but to live in a state of awareness respecting and accepting those who knowingly choose to construct identities within or without the color line.

John COWAN (M.D.), 1870 *Devotional Commentary on the Gospel Narrative*, Vol. 1 of 8 (Classic Reprint) Isaac Williams, 1880 Excerpt from *Devotional Commentary on the Gospel Narrative* Vol 1 of 8 Indistinct surmises of some one rising from the dead and of that Prophet to be raised up from among their brethren of whom Moses had spoken instead of the Voice from Mount Sinai which they entreated to hear no more. And the words with which the Inspired Writings had closed were remarkable both from their distinct declaration and for the very mysterious manner in which alone it could be fulfilled. As the silence of night came on and the light of prophecy was going down it spoke of the rising of the Sun of Righteousness with healing in His wings and yet not so for all men but for them shall He arise that fear My name. To this it is added Behold I send you Elijah the Prophet before the coming of the great and About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
