Pei-yin Lin

Taiwan Journal:

Colonial Taiwan Pei-yin Lin, 2017-04-03 This book offers a thorough and thought provoking study on the impact of Japanese colonialism on Taiwan's literary production from the 1920s to 1945. It redresses the previous nationalist and Japan-centric interpretations of works from Taiwan's Japanese period and eschews a colonizer colonized dichotomy. Through a highly sensitive textual analysis and contextual reading, this chronologically structured book paints a multi-layered picture of colonial Taiwan's literature, particularly its multi-styled articulations of identities and diverse visions of modernity. By engaging critically with current scholarship, Lin has written with great sentiment the most complete history of the colonial Taiwanese literary development in English. *Taiwan's Environmental Struggle* Jack Williams, Ch'ang-yi David Chang, 2008-02-25 This book examines the causes of Taiwan's environmental predicament, engaging in Taiwan's unique geological, geographical, demographical, political, industrial, historical, and economic circumstances with a view to what can be done to improve Taiwan's environmental future. **Taiwan's Contemporary Indigenous Peoples** Chia-yuan Huang, Daniel Davies, Dafydd Fell, 2021-07-08 This edited volume provides a complete introduction to critical issues across the field of Indigenous peoples in contemporary Taiwan, from theoretical approaches to empirical analysis. Seeking to inform wider audiences about Taiwan's Indigenous peoples, this book brings together both leading and emerging scholars as part of an international collaborative research project sharing broad specialisms on modern Indigenous issues in Taiwan. This is one of the first dedicated volumes in English to examine contemporary Taiwan's Indigenous peoples from such a range of disciplinary angles, following four section themes: long-term perspectives, the arts, education, and politics. Chapters offer perspectives not only from academic researchers but also from writers bearing rich practitioner and activist experience from within the Taiwanese Indigenous rights movement. Methods range from extensive fieldwork to Indigenous directed film and literary analysis. *Taiwan's Contemporary Indigenous Peoples* will prove a useful resource for students and scholars of Taiwan Studies, Indigenous Studies, and Asia Pacific Studies, as well as educators designing future courses on Indigenous studies.
