**Simeon B. Chase**

## **The Good Of The Order:**

**The Good of the Order** Simeon B. Chase, 1870      For the Good of the Order John Watson Milton, 2012-02-27 This book is part of our history one that has slipped from memory in the passage of time The story of Nick Coleman one of his generations most inspired leaders while overdue is still worth telling and surely it carries important lessons for us now Walter F Mondale In January 1973 Nick Coleman became the first Democrat in 114 years to lead the majority in the Minnesota Senate He provided the vision and leadership required to enact the Minnesota equivalent of Lyndon Johnsons social and economic programs known as the Great Society This was the high tide of liberal politics in Minnesota the crest in voter support that also sent Hubert Humphrey Eugene McCarthy and Walter Mondale to national prominence For the Good of the Order chronicles Nick Colemans role in the legislative cauldron that resulted in Minnesota being recognized throughout the country as the state that works Despite spirited political challenges these remarkable achievements resulted from genuine collaboration from both sides of the aisle Moreover the debate over these initiatives helped raise Minnesotas legislative branch to coequal status with the executive Sadly they also marked the beginning of the demise of civility respect and compromise among lawmakers Coleman was an Irish American and proud of his heritage His talent for leadership was surely enhanced by his Celtic wit and view of the world No caricature of the Irish pol however Coleman used his verbal gifts and charm to offer reasons why a hesitant colleague could safely follow him when votes were needed for controversial bills He led from the front especially when debate was most intense and unflinchingly took the fiercest fire from adversaries When Nick Coleman left the political arena in 1981 a wave of conservatism was sweeping the country Since his departure much of the agenda Coleman fought so hard to accomplish has been diluted or reversed Nevertheless his legacy remains an inspiration to all who believe that a society should be judged by how it treats its weakest and least powerful Perhaps Hubert Humphrey voiced this belief most succinctly when he said the moral test of government is how that government treats those who are in the dawn of life the children those who are in the twilight of life the elderly those who are in the shadows of life the sick the needy and the handicapped Those were the people Nick Coleman fought for and never forgot      **The Standard**, 1892      *Annual Report*, 1899      *The Banner of Gold*, 1896      *A History of the Inquisition of the Middle Ages* Henry Charles Lea, 1888      *Roster and Proceedings of the ... The Good Of The Order: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have enthralled audiences this year. The Good Of The Order : Colleen Hoover "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. The Good Of The Order : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. The Good Of The Order : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
