*Menu Design* Albin G. Seaberg, 1991-01-16 Here in a single thoroughly updated volume is everything you must know to develop a menu that will dramatically enhance a restaurant's image. The Fourth Edition addresses the full spectrum of restaurant establishments and the entire gamut of menu possibilities from the perspective of design. **Food Preferences of Air Force Enlisted Personnel**, 1974 Food preference surveys conducted at three CONUS Air Force bases show that average preferences for enlisted personnel do not differ markedly from one base to another. There were very few differences among bases when considering individual foods and no differences at all when using food classes for comparison. These data strongly suggest that one Air Force menu can satisfy food preferences of Air Force personnel at a variety of installations representing different missions, climates and locations.
