### **Wilderness Survival Guide: The Practical Skills You Need For The Great Outdoors** Joe O'Leary Author,2012-06-21

Joe O Leary a successful survival skills instructor explains the fundamental techniques required in a genuine wilderness survival situation while at the same time showing you how to enhance any out of doors experience from a walk in the country to an ambitious camping expedition Most types of shelter animal trap and fire lighting technique are variations on a theme Joe keeps it simple and describes in straightforward steps what to do to make yourself safe and comfortable how to build a shelter that will really keep you warm set a trap that will really catch food identify plants that will really feed and nourish you and build a fire that will really light in all weathers Rather than trying to cover every eventuality he concentrates on techniques that can be applied successfully in most environments it's better to know a limited number of skills thoroughly than a whole host of different variations specific to particular kinds of terrain
