Authoritarian Socialism in America Arthur Lipow,2022-07-15 In Authoritarian Socialism Arthur Lipow raises important issues about the nature of democracy and defines the intellectual roots of the authoritarian side of the socialist tradition in America and distinguishes it from democratic socialism This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1982 **"Work, give us work"** Steven L. Piott,2025-12-10 The depression that began in 1893 caused widespread economic suffering throughout the country and triggered a march of unemployed men from Massillon Ohio to Washington D C Known in the press as Coxey s Army led ironically by successful businessman Jacob Coxey the marchers demanded that the federal government create jobs for idled workers But Coxey s march overshadowed a much larger story In late March 1894 other armies of the unemployed mobilized on the Pacific Coast and in the Rocky Mountain states to begin their own pilgrimages to the nation s capital Confronted with distances farther than those covered by European crusaders to the Holy Land western marchers had to improvise When railroads refused them or demanded full fare that they didn t have they commandeered trains Sometimes they built boats to continue their journeys on one of the major rivers Alarmed by the possibility of 100 000 unemployed

workers converging on the nation's capital railroad and government officials did everything they could to stop them This exhaustively researched history tells the story of these dogged marchers who only wanted to work IJER Vol 5-N3
