The Impact of Evolutionary Theory Russell Maatman,1993 Impact of Evolutionary Theory Russell Maatman,1991

An Exploration of Christian Theology Don Thorsen,2007-12-01 Beginning theology students often find themselves bewildered by a maze of beliefs represented in Christian history and tradition Don Thorsen s An Exploration of Christian Theology unravels the knots of theology by exploring the whole Christian tradition in a simple and straightforward way Beginning with introductory chapters on theology revelation and authority this book deals with biblical teaching and Christian tradition related to such topics as God creation sin Jesus Christ salvation and eschatology Chapters conclude with helpful questions for further reflection and discussion and a convenient glossary of theological terms is included This is an excellent introduction to Christian theology for classroom or individual use **Journal of Biblical and Theological**

Studies, Issue 2.1 Daniel S. Diffey,Ryan A. Brandt,Justin McLendon,2017-03-29 The Journal of Biblical and Theological Studies JBTS is an academic journal focused on the fields of Bible and Theology from an inter denominational point of view The journal is comprised of an editorial board of scholars that represent several academic institutions throughout the world JBTS is concerned with presenting high level original scholarship in an approachable way Academic journals are often written by scholars for other scholars They are technical in nature assuming a robust knowledge of the field There are fewer journals that seek to introduce biblical and theological scholarship that is also accessible to students JBTS seeks to provide high level scholarship and research to both scholars and students which results in original scholarship that is readable and accessible As an inter denominational journal JBTS is broadly evangelical We accept contributions in all theological disciplines from any evangelical perspective In particular we encourage articles and book reviews within the fields of Old Testament New Testament Biblical Theology Church History Systematic Theology Practical Theology Philosophical Theology Philosophy and Ethics *Religious Dynamics under the Impact of Imperialism and Colonialism* Björn Bentlage,Marion Eggert,Hans Martin Krämer,Stefan Reichmuth,2016-10-11 This sourcebook offers rare insights into a formative period in the modern history of religions Throughout the late 19th and the early 20th centuries when commercial political and cultural contacts intensified worldwide politics and religions became ever more entangled This volume offers a wide range of translated source texts from all over Asia the Middle East and Europe thereby diminishing the difficulty of having to handle the plurality of involved languages and backgrounds The ways in which the original authors some prominent and others little known thought about their own religion its place in the world and its relation to other religions allows for much needed insight into the shared and analogous challenges of an age dominated by imperialism and colonialism **T&T Clark**

Handbook of Christian Theology and Climate Change Hilda P. Koster,Ernst M. Conradie,2019-12-12 The T these essays are critically engaged by respondents situated in other geographic regions minority communities non Christian traditions or non theological disciplines Structured in seven main parts the handbook explores 1 the need for collaboration with

disciplines outside of Christian theology to address climate change 2 the need to find common moral ground for such collaboration 3 the difficulties posed by collaborating with other Christian traditions from within 4 the questions that emerge from such collaboration for understanding the story of God's work and 5 God's identity and character 6 the implications of such collaboration for ecclesial praxis and 7 concluding reflections examining whether this volume does justice to issues of race gender class other animals religious diversity geographical divides and carbon mitigation This rich ecumenical cross cultural conversation provides a comprehensive and in depth engagement with the theological and moral challenges raised by anthropogenic climate change

Flawed Perfection Jeffrey A. Brauch, 2017-10-27 To understand the problems that face the world one must understand human nature From exploitation and violence to decisions about how to wisely govern or care for human life the problems humanity faces aren't just abstract issues they impact the day to day lives of many individuals and communities across the globe How should Christians wrestle with these complex and difficult problems in a thoughtful ethical way According to Jeffrey A Brauch people need to start with an informed grasp of human nature It's only by understanding human nature that a person can recognize their profound value as God's good creation despite their fallen condition and uphold equal human rights regardless of differences *Flawed Perfection* will help Christians from across the political and cultural spectrum think carefully about and actively respond to these issues with both gravity and grace

Saving the Neanderthals Mark S. McLeod-Harrison, 2019-10-29 What happens when the wrench of evolution is dropped into the hopper of Christian theology Written by a philosopher *Saving the Neanderthals* takes evolution as its foil and shows what might have to change in Christian theology in order to make theology compatible with evolution If the Christian faith is shown consistent with what Mark S McLeod Harrison calls hard evolution then the softer versions will also be compatible Indeed that is exactly what the book argues specifically for the Christian doctrines of sin and salvation These doctrines typically rely on some fairly strong realist version of essentialism which hard evolution denies but McLeod Harrison proposes an approach to sin and salvation that is compatible with the anti essentialist claims of hard evolution
