carries the keys For the first time the divine work is presented in its entirety by authors with extensive experience in alchemy The book conveys alchemy s history philosophy and practice and instructs the reader on how to become an alchemical master Through this one becomes a divine co creator in both one s own refining process as well as that of the entire creation like a true philosopher a true lover of wisdom

Jesus and the Lost Goddess Timothy Freke,Peter Gandy,2011-08-10 Why Were

the Teachings of the Original Christians Brutally Suppressed by the Roman Church Because they portray Jesus and Mary Magdalene as mythic figures based on the Pagan Godman and Goddess Because they show that the gospel story is a spiritual allegory encapsulating a profound philosophy that leads to mythical enlightenment Because they have the power to turn the world inside out and transform life into an exploration of consciousness Drawing on modern scholarship the authors of the international bestseller The Jesus Mysteries decode the secret teachings of the original Christians for the first time in almost two millennia and theorize about who the original Christians really were and what they actually taught In addition the book explores the many myths of Jesus and the Goddess and unlocks the lost secret teachings of Christian mysticism which promise happiness and immortality to those who attain the state of Gnosis or enlightenment This daring and controversial book recovers the ancient wisdom of the original Christians and demonstrates its relevance to us today

The Ultimate Guide to Goddess Empowerment Sophia,Rebecca Sargent,2003-04-02 This empowering book for women is packed with goddess wisdom and lore to helpreaders achieve success love and abundance
