of the most notable of its early martyrs was born about the year 200 probably at Carthage He was of patrician family wealthy highly educated and for some time occupied as a teacher of rhetoric at Carthage Of an enthusiastic temperament accomplished in classical literature he seems while a pagan to have courted discussion with the converts to Christianity Confident in his own powers he entered ardently into what was no doubt the great question of the time at Carthage as elsewhere He sought to vanquish but was himself vanquished by the new religious force which was making such rapid inroads on the decaying paganism of the Roman empire Caecilianus or Caecilius a presbyter of Carthage is supposed to have been the instrument of his conversion which seems to have taken place about 246 This edition contains all 82 epistles that the Bishop of Carthage wrote as well as a big selection of his treatises **Conflict and Enmity in the Asaph Psalms**

David Cameron Ray,2023-10-09 David Ray examines the extent to which the Asaph Psalms constitute a coherent collection through its ubiquitous motif of conflict A binary relational model and semantic roles at discourse level are used to uncover underlying power dynamics in the text Initially presenting a supposedly innocent collective as fixated on the presence of its opponent while God is perceived as absent the psalmists then focus on the failure of different generations to adhere to covenant obligations crystallised in divine judgment The Asaph Psalms closes with a sapiential outcome wherein the collective expresses dependence on God anticipating divine intervention against God's own ingathered heavenly and earthly opponents Ray configures a pattern of conflicts consistent with Deuteronomistic informed pastoral teaching namely to follow God's ways recognise complicity in suffering and place complete trust in the warrior judge God *A Particular History of the Five Years French and Indian War in New England and Parts Adjacent, from Its Declaration by the King of France, March 15, 1744, to the Treaty with the Eastern Indians, Oct. 16, 1749, Sometimes Called Governor Shirley's War* Samuel G.
