Soong Sisters:

Madame Chiang Kai-Shek Laura Tyson Li, 2007-09 Traces the life of Soong Mayling from her youth in one of China's most powerful families to her status as wife, adviser and propagandist to Nationalist leader Chiang Kai-shek to her role as an international crusader against Communism **The Changing Face of Women's Education in China** Xiaoyan Liu, 2017

This book offers a critical study on the history of Shanghai No. 3 Girls Middle School from its missionary predecessors St. Mary's Hall and McTear School to its present form as a public school. By bringing together three historical periods—late imperial, the Republic of China, and the People's Republic of China—and their respective political regimes into one project and tracing continuities and discontinuities in terms of education between the Nationalists and Communists, the book argues that education in Chinese modern history affords another example of continuous revolution. Big Sister, Little Sister, Red Sister Jung Chang, 2019-10-29 They were the most famous sisters in China. As the country battled through a hundred years of wars, revolutions, and seismic transformations, the three Soong sisters from Shanghai were at the center of power, and each of them left an indelible mark on history. Red Sister Ching-ling married the Father of China, Sun Yat-sen, and rose to be Mao's vice chair. Little Sister May-ling became Madame Chiang Kai-shek, first lady of pre-Communist Nationalist China and a major political figure in her own right. Big Sister Ei-ling became Chiang's unofficial main adviser and made herself one of China's richest women. All three sisters enjoyed tremendous privilege and glory but also endured constant mortal danger. They showed great courage and experienced passionate love as well as despair and heartbreak. They remained close emotionally even when they embraced opposing political camps, and Ching-ling dedicated herself to destroying her two sisters' worlds. Big Sister, Little Sister, Red Sister is a gripping story of love, war, intrigue, bravery, glamour, and betrayal which takes us on a sweeping journey from Canton to Hawaii to New York, from exiles' quarters in Japan and Berlin to secret meeting rooms in Moscow, and from the compounds of the Communist elite in Beijing to the corridors of power in democratic Taiwan. In a group biography that is by turns intimate and epic, Jung Chang reveals the lives of three extraordinary women who helped shape twentieth-century China. *Secret Societies and Clubs in American History* David Luhrssen, 2015-09-09 Grounded in extensive historical research, this eye-opening survey reveals the long undervalued role secret societies have played in American history. Americans are fascinated by secret societies and have devoured exaggerated claims for their influence. At the same time, scholarly assessments of covert groups that have shaped American social, cultural, and political history have often undervalued their role or even questioned their existence. This survey challenges both the exaggerators and the deniers. Freemasons: They may not be the hidden rulers of the world, but a significant number of America's founders were Masons. The Know-Nothings: Two American presidents joined the movement. The Bohemian Grove: Republican politicians and corporate leaders really did engage in strange behavior under the redwood trees through the 20th

century Revealing fascinating facts about some of the most talked about covert societies including the Mafia the Skull and Bones and the Ku Klux Klan Secret Societies and Clubs in American History exposes the truth about the subcultures that made their mark on some of the most important events in the nation s history and contributed to the shaping of the country itself *Strategy, Psychology, Logistics* Chan Sai Hung, Curtis, Chung W.T., Emily, Ho Ho Hin, Oskar, Lam Fung Hoi, Henry, Li Yinuo, Derek, Shum Hou Zit, Tang Ming Chung, Alan, Tse Sheung Hei, 2024-08-06 The art of war is an ugly art yet it is ever more pivotal in our turbulent world as we struggle to comprehend the sheer scale of atrocities However people do tend to simplify the conduct of warfare to a mere contest of weaponry and wealth and neglecting initiatives of commanders in the complicated system of warfare Therefore we the History Society hope to explore this missing linkage by providing this valuable platform for studies of various aspects of warfare from tactical doctrines to cultural impacts thereby understanding war as an intrinsic and comprehensive phenomenon throughout human history It is also our hope that by investigating in this perplexing topic can we acknowledge that war is not instigated to deal with the ordeals ahead only but also a cruel portrayal of how human beings endeavour to slaughter each other by all means and at all costs *Omnibook Magazine* ,1941

Towne, 1932 **Far Eastern Economic Review** ,1985-07 The China Monthly ,1944 **Encyclopedia of Library and Information Science** Allen Kent, Harold Lancour, William Z.
