Soul Care:

The Soul Care Leader Rob Reimer,2022-11-29 How do we live a healthy life and lead others into spiritual emotional and relational health and wholeness That is the focus of this book Trying to help others find freedom and wholeness is draining work What do we do to become healthy and maintain our well being What are the practices and rhythms we need to engage in to be effective Soul Care practitioners How do we create a culture where life change flourishes How do we minister in the power of the Spirit so that we can lead others into breakthroughs Too often people are talking about the same problems that they were talking about several years ago but they aren't finding a path to freedom We need to help people get to the roots and not merely manage their dysfunction and sin These are the questions and topics that this book will seek to equip you in as you seek to live and lead people into freedom and fullness in Christ

From Plato to Platonism Lloyd P. Gerson,2013-11-27 Was Plato a Platonist While ancient disciples of Plato would have answered this question in the affirmative modern scholars have generally denied that Plato's own philosophy was in substantial agreement with that of the Platonists of succeeding centuries In *From Plato to Platonism* Lloyd P Gerson argues that the ancients were correct in their assessment He arrives at this conclusion in an especially ingenious manner challenging fundamental assumptions about how Plato's teachings have come to be understood Through deft readings of the philosophical principles found in Plato's dialogues and in the Platonic tradition beginning with Aristotle he shows that Platonism broadly conceived is the polar opposite of naturalism and that the history of philosophy from Plato until the seventeenth century was the history of various efforts to find the most consistent and complete version of anti naturalism Gerson contends that the philosophical position of Plato's own Platonism so to speak was produced out of a matrix he calls Ur Platonism According to Gerson Ur Platonism is

the conjunction of five antis that in total arrive at anti naturalism anti nominalism anti mechanism anti materialism anti relativism and anti skepticism Plato's Platonism is an attempt to construct the most consistent and defensible positive system uniting the five antis. It is also the system that all later Platonists throughout Antiquity attributed to Plato when countering attacks from critics including Peripatetics, Stoics, and Sceptics. In conclusion, Gerson shows that Late Antique philosophers such as Proclus were right in regarding Plotinus as the great exegete of the Platonic revelation.

Soul Care Rob Reimer, 2024-03-11. Soul Care explores seven principles that can lead to lasting transformation and freedom for all who struggle with a broken, damaged, and sin-stained soul. Brokenness grasps for the soul of humanity. We are broken body, soul, and spirit, and we need the healing touch of Jesus. Soul Care explores seven principles that are profound healing tools of God, securing your identity, repentance, breaking family sin patterns, forgiving others, healing wounds, overcoming fears, and deliverance. Dr. Rob Reimer challenges readers to engage in an interactive "roll up your sleeves" and get messy process a journey of self-reflection, Holy Spirit inspiration, deep wrestling, and surrender. It is a process of discovering yourself in true community and discovering God as He pierces through the layers of your heart. Life change is hard. But these principles, when packaged together and lived out, can lead to lasting transformation, freedom, and a healthy soul. Soul Care encourages you to gather a small group of comrades in arms, read and process together, open your souls to one another, access the presence and power of God together, and journey together into the freedom and fullness of Christ.

This Catechism is divided into three parts. The first part treats of faith, the second of morals, the third of the means of grace. In the first part, Our Lord appears in His character of Teacher; in the second, in His character of King; and in the third, in His character of High Priest. And since this Catechism proposes as its primary object to answer the question, for what purpose are we here upon earth, thereby emphasizing and giving prominence to man's high calling and destiny, it is especially suited to the present day, when the pursuit of material interests, self-indulgence, and pleasure engrosses the attention of so many. This Catechism is in fact nothing more nor less than an abstract of Our Lord's teaching, and may be called a guide-book for the
