The Taming of Red Butte Western Francis Lynde, 2018-02-27 The Red Butte Western is a railroad in the Southwest. When the owners decide to do away with the long prevailing lawless conditions on the road, they choose a young engineer to go out there and do the taming. Having failed hopelessly on one memorable occasion to display any manly courage, he believes himself to be a physical coward and consequently wholly unfit for the task. He confesses this feeling to the vice president of the road, but this fails to shake the official's confidence in the young man. He has a hard struggle against lawlessness, strikes collisions, wrecks, and bloodshed, but wins out and proves beyond a doubt that he is possessed of no small amount of physical and moral courage. We are delighted to publish this classic book as part of our extensive Classic Library collection.
