**Robert Lomas**

## **Key Of Masonic Initiation:**

**The Key of Masonic Initiation** P. T. Runton,1942    **The Secret Science of Masonic Initiation** Robert Lomas,2009-06 The Secret Science of Masonic Initiation is different and revelatory This book will take you on an imaginative journey deep into that inner part of your consciousness that Freemasonry calls your soul Not since the glory days of Wilmshurst Ward and Waite has any serious Masonic writer attempted to look at the meaning of Masonry in such knowledgeable depth Its ritual says it is a high and serious subject But how can an individual discover the truths it outlines How do you become an Initiate and a Master A new spiritually aware generation is asking this question and demanding answers Using words and images this book leads you through the spiritual stages of Masonic knowledge The Craft teaches that each new apprentice shall find a teacher to gain instruction The open Lodge is not the place for instruction but a place for living out truths that should be taught privately by contemplation of symbols    **Hidden Codes & Grand Designs** Pierre Berloquin,2010-11-09 Did the Masons encode messages in walls and even in the street plan of Washington D C Does the Hebrew Bible conceal hidden mysteries Ingenious methods for encoding secrets have taken many amazing turns through the ages from the military signals the Romans flashed from hilltop to hilltop to the computer codes that guard your cash at the ATM Pierre Berloquin one of France s leading puzzle book authors takes you on a tour of them all in a book full of astonishing historical insights With more than 150 brain teasing problems for readers to solve for themselves this is a journey beyond the gee whiz and deep into the how to of codes ciphers and other secret communication systems    **The Code, Index and Digest of the Laws of Freemasonry** James E. Morrison,1877    **The origin of masonic ritual & tradition as manifested by the geometrical design and symbolism of the Great pyramid, a lecture** William Rowbottom,1880

**Turning the Hiram Key** Robert Lomas,2005 New in Paperback Learn about the rituals of this fascinating society This book takes readers beyond The Hiram Key to reveal the secrets of the actual Masonic rituals By deconstructing these rituals Lomas discovers the true message behind them a message that is as valid today as it was when the rituals were created Not only will readers get a step by step insider s look at each of these timeless rituals they ll learn how they can benefit from them in today s world Turning the Hiram Key also explores how these rituals have helped history s most accomplished men to reach their goals from Louis Armstrong and Charles Lindbergh to George Washington and Franklin D Roosevelt to John Wayne and Buzz Aldrin    **The Lost Key** Prentiss Tucker,1999-10 Symbols play a big part in our lives but we often miss their full meaning A book for Freemasons and explains the meaning of their symbols Masons are members of a longstanding fraternal order that functions as a mystical brotherhood A number of rituals are performed as one progresses up the ranks usually in the form of an initiation Often times Masons may not fully understand the true purpose of the initiation This book covers the symbols found within the first three degrees of Freemasonry making it an excellent guidebook for the beginning Mason and offers a more complete understanding for those who oversee their rituals    **The New York Masonic Code**

Freemasons. Grand Lodge of the State of New York,1870

**33 Keys to Unlocking The Lost Symbol** Thomas R.

Beyer,2009-12-08 Ever since Professor Beyer read The Da Vinci Code he became intrigued by Dan Brown's use of facts in fiction. He realized that an examination of the novel could be a tantalizing and entertaining entry into the world of research and evaluating information and decided to make it the subject of his freshman seminar class at Middlebury College. Beyer and many of his students have followed Dan Brown's work ever since and four years ago Beyer began to anticipate and delve into the facts that would be the core of The Lost Symbol. Like millions of other expectant readers he purchased a copy of the novel on its publication date September 15 2009. He read and analyzed it several times and at the urging of his publisher focused on writing this handy reader friendly companion guide to The Lost Symbol in which he elaborates on 33 key topics and identifies 133 Internet links for even further exploration. The topics organized by theme in seven sections follow the plot of the story and cover the setting in Washington D C art and architecture, cryptology, Freemasonry, secret teachings, science and people and places in the novel highlighted with 33 helpful illustrations.

Authentic Key to the Door of Freemasonry, Etc. [By R. S.] Second Edition ,1871

**The Secret Science of Masonic**

**Initiation** Robert Lomas,2016-02-21 Freemasonry has a deep purpose which can be overlooked in the rush of the modern world. Its ritual says it is a high and serious subject. But how can an individual discover the truths it outlines? How do you become an Initiate and a Master? A new spiritually aware generation is asking this question and demanding answers. This book responds in an unexpectedly visual way. Using words and images it leads you through the spiritual stages of Masonic knowledge. The Craft teaches that each new apprentice shall find a teacher to gain instruction. The open Lodge is not the place for instruction but a place for living out truths which should be taught privately by contemplation of symbols. Robert Lomas has spent thirty years as a University teacher and twenty years studying Freemasonry and its ritual. In this book he shares his personal insight into the Craft, explains his understanding of its ritual and outlines the steps a Mason must take to find self knowledge. His words are illuminated by the unique symbolic drawings of two masters of Masonic Tracing board design. The purpose of Freemasonry is to help its members become Initiates in the science of Life. If you want to know yourself then Freemasonry offers a path to that knowledge. It is a spiritual adventure fit for the athletic and adventurous mind. The Secret Science of Masonic Initiation reveals that path.
