Hymnody is widely recognised as a central tenet of Methodism's theological doctrinal spiritual and liturgical identity
Theologically and doctrinally the content of the hymns has traditionally been a primary vehicle for expressing Methodism's
emphasis on salvation for all social holiness and personal commitment while particular hymns and the communal act of
participating in hymn singing have been key elements in the spiritual lives of Methodists An important contribution to the
history of Methodism British Methodist Hymnody argues that the significance of hymnody in British Methodism is best
understood as a combination of its official status spiritual expression popular appeal and practical application Seeking to
consider what when how and why Methodists sing British Methodist Hymnody examines the history perception and practice
of hymnody from Methodism's small scale eighteenth century origins to its place as a worldwide denomination today
