Walking and Talking with Jesus One Day at a Time Pauline Romano, 2020-03-10 I have always loved writing poetry and I have always written poems for my family and friends for different special occasions in a rhyming format But ever since I was baptized and became a Christian I felt this urge in my heart to put into words how good it makes me feel as I talk with Jesus every day I read my Bible every day and I love the New Testament I always read a small booklet called Our Daily Bread which has scriptures and a short one page story for each day of the month I was inspired by this little book I really enjoy reading it I'm hoping my book will make it easier for the working people to get in a little time to talk to our Lord and Savior every day On their way to work they ride the bus or if they carpool or maybe even during their lunchbreak I also hope to reach retired people who might be at home alone and might find some comfort by reading my book It might also help them learn where a few passages are in the Bible

Praying the Psalms in the Voice of Christ Frank J. Matera, 2023-01-15 In Praying the Psalms in the Voice of Christ Frank J Matera offers a way to pray the psalms within the Liturgy of the Hours rooted in the New Testament and the great writers of the early church Taking his cue from Saint Augustine Matera demonstrates how to hear the voice of Christ in the psalms so that they can be

prayed in the voice of Christ and his Body the church In addition to this introduction to a christological reading of the psalms Matera also provides a commentary on the psalms as they occur in the four weeks of the Divine Office [Hearing God in Conversation](#) Sam Williamson,2016-06-27 I picked it up out of curiosity and I couldn t put it down Eugene Peterson Christians are comfortable saying that Christianity is about a relationship with God Yet many might also say that they sense little meaningful relationship with God in their own lives After all the foundation of good relationship is communication but conversation with God often seems to go only one way We may sing of walking and talking with God in the garden His voice falling on our ears but few have heard that beloved voice themselves Sam Williamson acknowledges the fundamental human longing to hear God s voice and offers a hopeful supposition God is always speaking we ve just never been taught how to recognize His voice Williamson handles this potentially heady topic with his characteristic straightforwardness and leavening humor This book deftly bridges the gap between solid biblical theology and practical application addressing topics such as how to truly pray without ceasing how to brainstorm with God how to navigate our emotions how to answer God s questions and how to hear God s voice for others Hearing God in Conversation offers simple step by step lessons on how to hear God Williamson begins with Scripture meditation He then expands the practice of listening for that voice everywhere in the checkout line on the job in a movie theater and even in silence From there he demonstrates how to hear God s guidance when making any decision By the end readers eyes and ears will be opened to the limitless methods through which God speaks [JESUS](#) David Pawson,2012-02-01 Taking the middle section of the Apostles Creed as the framework David explains the fundamental fact about Jesus on which the Christian faith is based in a fresh and stimulating way Both old and new Christians will benefit from this back to basics call and find themselves falling in love with their Lord all over again
