Talks With God:

Conversations with God Neale Donald Walsch, 2012-06-01 *Conversations with God* marks Neale Donald Walsch's initial dialogue with God. This book discusses personal issues such as prosperity, relationships, and the nature of spiritual truth with God providing clear, understandable answers. Further than the author's conversation with God, you'll realise that your own understanding and your own conversation with God are the true subjects of this unforgettable text. Suppose you could ask God the most puzzling questions about existence, questions about love and faith, life and death, good and evil. Suppose God provided clear, understandable answers. It happened to Neale Donald Walsch. It can happen to you. You are about to have a conversation. Walsch was experiencing a low point in his life when he decided to write a letter to God venting his frustrations. What he did not expect was a response. As he finished his letter, he was moved to continue writing, and out came these extraordinary answers to his questions. They will amaze you with complex paradoxes that make perfect sense, profound logic, and astounding truths. Here are answers that bring together as one the deeper meaning of all beliefs and traditions. Here are the answers that will change you, your life, and the way you view other beings. For those with an open mind, a limitless curiosity, and a sincere desire to seek the truth, this book is stunning.

Questions and Answers on Conversations with God Neale Walsch, 2000-01-01 Millions of readers have come to value the *Conversations with God* series by Neale Donald Walsch, which has now been translated into twenty-six languages. Many thousands of those readers have had questions for him: questions about religion, good and evil, physical and mental health, death, prophecy, the nature of God, and the universe, prayer, angels, and devils, spiritual paths, relationships, and much more. In *Questions and Answers on Conversations with God*, Neale, with characteristic wit and wisdom, responds to the most compelling and provocative of these letters, and the result is a book that is profoundly enlightening and inspiring. By relating the messages in the dialogues of CWG to the personal issues and everyday experience of individuals, Neale's answers illustrate the direct link between spiritual and physical reality, clearly demonstrating how what we do and who we are in our lives is a result of how we think and what we believe. This book gives us all the opportunity to look at ourselves, to change ourselves, and thus perhaps to change the world. *Talking about God*

Stephen Saccone, Cheri Saccone, 2018-01-02 And if someone asks about your hope, as a believer, always be ready to explain it. But do this in a gentle and respectful way. 1 Peter 3:15-16 NLT. *Talking About God* demonstrates that spiritual conversations have the potential to profoundly impact someone's faith journey when we simply engage people with honesty and respect. For people who are intimidated or fatigued by the idea of talking about matters of faith, *Talking about God* offers story after gripping story about conversations that avoid offering platitudes and unnecessary divisiveness and instead draw people organically and relationally toward the Good News of Jesus Christ. Discover refreshing portraits of natural, authentic God-directed dialogues that protect the dignity of the people we love and lead them into life-changing conversations. *Hearing God in Conversation* Sam Williamson, 2016-06-27 I picked it up out of curiosity, and I couldn't put it down. Christians are comfortable saying that Christianity is about a relationship with God Yet many might also say that they sense little meaningful relationship with God in their own lives After all the foundation of good relationship is communication but conversation with God often seems to go only one way We may sing of walking and talking with God in the garden His voice falling on our ears but few have heard that beloved voice themselves Sam Williamson acknowledges the fundamental human longing to hear God s voice and offers a hopeful supposition God is always speaking we ve just never been taught how to recognize His voice Williamson handles this potentially heady topic with his characteristic straightforwardness and leavening humor This book deftly bridges the gap between solid biblical theology and practical application addressing topics such as how to truly pray without ceasing how to brainstorm with God how to navigate our emotions how to answer God s questions and how to hear God s voice for others Hearing God in Conversation offers simple step by step lessons on how to hear God Williamson begins with Scripture meditation He then expands the practice of listening for that voice everywhere in the checkout line on the job in a movie theater and even in silence From there he demonstrates how to hear God s guidance when making any decision By the end readers eyes and ears will be opened to the limitless methods through which God speaks

Conversation with God Embaye Melekin, 2016-03-31 The *Conversation with God* is the compilation of my communication with God I am bestowed with the gift to do so I speak to God regularly and the Lord answers all my questions with no reservations I am blessed by the Lord to reveal the truth from the perspective of God This book is for those who truly believe in the Lord Those unbelievers may not find it palatable and even useful Many shall argue to discredit it but they cannot escape from the truth as narrated by the Lord himself God has his own ways of reveals his works by choosing his own and I am blessed to be the person the Lord anointed to bring to light his true nature Read this relevant book with open mind and don't make conclusions until you read the last page I have written what I was exposed to and whatever you read is not my imagination and has very little to do with me It is purely the dictates of the Lord

No book has ever been revealing of the true nature of God before as the Conversation with God I made every effort to discover the truth from the mouth of the Lord Nothing in this book should be construed to mean as my own figment of imagination It has nothing to do with me Know also what Jesus did from age of twenty years Also know the true identities of the Jews Europeans Arabs Asians and Africans from the annals of the Bible
