The Beast That Shouted Love at the Heart of the World Harlan Ellison,2012-03-05

It crouches near the center of creation There is no night where it waits Only the riddle of which terrible dream will set it loose It beheaded mercy to take possession of that place It feasts on darkness from the minds of men No one has ever seen its eyeless face When it sleeps we know a few moments of peace But when it breathes again we go down in fire and mate with jackals It knows our fear It has our number It waited for our coming and it will abide long after we have become congealed smoke It has never heard music and shows its fangs when we panic It is the beast of our savage past hungering today and waiting patiently for the mortal meal of all our golden tomorrows It lies waiting Harlan Ellison
