Taming The Taildragger

Alan Meyer

Taming The Taildragger:

Taming the Taildragger Col R.L. Upchurch USMC,2003-12-22 When he earns his wings Tom Fitzgerald learns that he will not be flying jets but propeller driven Skyraiders When he and his nemesis Dean Claymore report for duty in Miami Florida they discover that the old taildragger can deliver tons ordnance however it is unforgiving of inexperienced aviators Fortunately Miami offers diversions such as airline stewardesses jai alai frontons and all night cocktail lounges When the squadron deploys to the Far East it deals with bizarre aircraft accidents a humiliating encounter in a Manila bar and a wacky operation to rescue US citizens from a civil war on Sumatra Days before they are to return home Tom and Dean disappear over the Philippines and are feared to be victims of communist guerillas Crammed with nonstop aviation adventure this saga will not let you go until the final page has been turned *Taming the Taildragger* John Ball,1990 **Taming the Taildragger** John F. Ball,1994-07-01

Weekend Pilots Alan Meyer,2015-12-30 The inside story of the hypermasculine world of American private aviation In 1960 97 percent of private pilots were men More than half a century later this figure has barely changed In *Weekend Pilots* Alan Meyer provides an engaging account of the postWorld War II aviation community Drawing on public records trade association journals newspaper accounts and private papers and interviews Meyer takes readers inside a white male circle of the initiated that required exceptionally high skill levels that celebrated facing and overcoming risk and that encouraged fierce personal independence The Second World War proved an important turning point in popularizing private aviation Military flight schools and postwar GI Bill flight training swelled the ranks of private pilots with hundreds of thousands of young mostly middle class men Formal flight instruction screened and acculturated aspiring fliers to meet a masculine norm that traced its roots to prewar barnstorming and wartime combat training After the war the aviation community s response to aircraft designs played a significant part in the technological development of personal planes Meyer also considers the community of pilots outside the cockpit from the time honored tradition of hangar flying at local airports to air shows to national conventions of private fliers to argue that almost every aspect of private aviation reinforced the message that flying was by for and about men The first scholarly book to examine in detail the role of masculinity in aviation *Weekend Pilots* adds new dimensions to our understanding of embedded gender and its long term effects *Taming the Taildragger* Erlend Vaage,Erlend Våge,2024-06-30 There s no doubt that all the fun and tough planes have tailwheels You may be taking a tailwheel checkout to eventually fly aerobatics or ski equipped aeroplanes Regardless the experience of making a proper and good landing in a taildragger is particularly satisfying Once you ve mastered a tailwheel aeroplane you ll also have a strange experience the next time you fly a tricycle gear aeroplane Is it that easy You have become a better pilot There are numerous excellent books on tailwheel flying but this book aims to provide a readily understandable compilation of the theoretical foundation one should have before starting a first tailwheel checkout Regulatory Requirements FCL 700 state that if you want to fly tailwheel aeroplanes you must undergo differences training

either at a flight school or with an independently qualified instructor The theory which this book will cover is commonly done through self study before starting the practical part **Taming the Taildragger** R. L. Upchurch,2003-12-01 When he earns his wings Tom Fitzgerald learns that he will not be flying jets but propeller driven Skyraiders When he and his nemesis Dean Claymore report for duty in Miami Florida they discover that the old taildragger can deliver tons ordnance however it is unforgiving of inexperienced aviators Fortunately Miami offers diversions such as airline stewardesses jai alai frontons and all night cocktail lounges When the squadron deploys to the Far East it deals with bizarre aircraft accidents a humiliating encounter in a Manila bar and a wacky operation to rescue US citizens from a civil war on Sumatra Days before they are to return home Tom and Dean disappear over the Philippines and are feared to be victims of communist guerillas Crammed with nonstop aviation adventure this saga will not let you go until the final page has been turned *The AOPA Pilot* ,2004
