Gustavus Myers,2016-09-07 Excerpt from History of Tammany Hall If my narrative furnishes a sad story for the leaders and chieftains of the Tammany Society and the Tam many Hall political organization the fault is not mine but that of a multitude of incontestible public records It was in no partisan spirit that I began the work and in none that I now conclude it I have always been an independent in politics and I have even voted when there seemed to me ample reason for doing so a Tammany ticket I have tried to set down nothing in malice nor with such exceptions as are obviously necessary with regard

to living men to extenuate anything whatever Those who may be tempted to consider my work partial and partisan on account of the showing that it makes of Tammany corruption and inefficiency will do well to read carefully the pages relating to the Whigs and to some other opponents of Tammany Hall About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works     **The Independent** ,1898
