Talking Book Topics ,1995 **Presenting Young Adult Fantasy Fiction** Cathi Dunn MacRae,1998 Opening with a fascinating array of definitions by writers critics and teenagers MacRae organizes this elusive genre into manageable categories Each chapter traces the development of one subgenre featuring a detailed biographical critique of a contemporary American fantasist within that category **Cassette Books** Library of Congress. National Library Service for the Blind and Physically Handicapped,1995 **Publishers Weekly** ,1990 *The Cumulative Book Index* ,1991 A world list of books in the English language *The Libyan Pharaohs of Egypt* Aidan Dodson,2025-12-02 A comprehensive account of the Libyan pharaohs of Egypt who ruled from the tenth through the seventh centuries BC accessibly written by renowned Egyptologist Aidan Dodson During the tenth through the seventh centuries BC Egypt was ruled by a series of pharaohs of Libyan ancestry who ranged from Shoshenq I conqueror of Jerusalem to individuals so obscure that some may actually be spelling errors The Libyans had hitherto been enemies of the Egyptians with conflicts going back into the third millennium BC Yet during the eleventh century we find Libyan names among members of Egyptian elite families and early in the next century a pharaoh of Libyan descent ascended the Egyptian throne There is no evidence of any violent take over so it appears likely that ongoing immigration and intermarriage with the Egyptian elites had brought a Libyan line to this point Although the earlier Libyan pharaohs seem to have maintained the tradition of a unitary Egyptian state as time went by Libyan ideas of decentralized control became more prevalent As a result we find individuals holding both Libyan and Egyptian titles controlling distinct territories around Egypt some of whom assumed the names and titles of a pharaoh Conflict sometimes accompanied this process with a long civil war fought for the control of southern Egypt and the great religious capital of Thebes Some degree of central control was imposed with the advent of a further set of rulers from Nubia during the eighth century but a single Egyptian state would not be restored until the middle of the seventh century The Libyan Pharaohs of Egypt reconstructs the story of this era covering not only its complex political history but also its monuments both for the living and the dead and its aftermath including the rediscovery of its kings and monuments in modern times **Dark Fire** Barbara Siegel,Scott Seigel,1992 Trapped in a world of the dead teenager Andy Moser joins forces with Elizabeth a lovely ghost to stop a plot to destroy Ghostworld so that he can return to his own world *The Keep of Shadows* David J. Boseke,2008-12-04 The Nations of the Young Kingdoms had not felt the anguish of war for nearly twenty years Now with a massive barbarian army poised to invade Aljamin just one walled city Akaar guards the large Kingdoms borders The city lies exposed and vulnerable to invasion Defenseless With their land in chaos Sinjin Storm and his trusted companions set out to rally allies to help defend their country Taken under the wing of Sorrell Tovaal a powerful wizard Storm begins to have visions and is beset with questions Mysterious occurrences confound his questions as long held secrets begin to be revealed With unwavering courage Storm encounters assassins beasts and dark figures from the Dead Wood forest that seem bent on his destruction As the invasion intensifies Storm and his allies realize the barbarian hordes are merely pawns in a war between two powerful yet parallel

worlds The Young Kingdoms quickly realize that dark forces are working furiously in this other world poised and waiting for the chance to bring an age of darkness and chaos to the human world Storm must quickly discover and develop his powers as a wizard and his courage as a man Only then can he master the only force capable of sealing the breach between the two worlds What Do I Read Next?
