The Tapestry of Death Howard of Warwick, 2012-11-01 The Tapestry of Death More medieval mystery for people who laugh England 1067 Briston the weaver has been murdered in a very special way and it is up to his old friend Wat to avenge his death Brother Hermitage will naturally support his companion in the quest but the young monk worries as the number of suspects keeps rising He s never been good with crowds When events take a turn for the truly bizarre Hermitage and Wat find themselves up to their Saxon socks in people who want them dead people who want one another dead and people who seem to want everyone dead They must find a missing maiden placate a giant killer and reveal the awful secret of the Tapestry of Death before matters are resolved Resolved largely unsatisfactorily but then that s life With a monk tradesmen priests Normans and Saxons The Tapestry of Death should be a solid traditional medieval who done it but it isn t Really it isn t Authentic and accurate representation of the time Barely Historically informative Certainly not Hilarious and very silly Now you re getting warm Critical analysis of the work of Howard of Warwick His writing is crisp riotously funny and he weaves a masterful little mystery that will leave you crying for more Like Brother Cadfael visits Discworld I would recommend this to anyone who loves a good story It is so hard to wait until the new books come out Compared to Monty Python Carry On films Terry Pratchett and Winnie the Pooh If you re looking for a serious historical mystery with all the usual trappings look elsewhere If you re hoping for characters who are knowledgable beyond their time and talk like a history book prepare to be disappointed If you re after a tale of a monk hopelessly out of his depth and a weaver who is really rather naughty this is the book for you
