Tarnished Hearts:

Dare To Love Cara D. Smith,2021-05-27 Austin Chambers fooled me into thinking he was everything I could possibly want in a man funny kind caring family oriented and extremely sexy But his attempt at humor left me hurt and angry I guess I have crummy taste in men and the horrible track record to prove it Which is why I swore off dating when I moved here to begin with I would be quite content never seeing Austin again but he s my new best friend s soon to be brother in law and they re close Avoiding him isn t easy since I haven t clued her into his idea of a joke but I do my best But my best isn t good enough since anger and hate are strong emotions Too much time in each other s company brings us to the boiling point and things get physical but not in the way I feared The best kiss I ve ever had leads to more a lot more And I can t quite bring myself to regret it That night changes things It changes Austin He seems determined to make it up to me and instead of devolving into screaming matches we actually manage to communicate That spark between us that just won t die seems like it might become a flame Until I find out his friends dared him to prove he isn t allergic to commitment and I m his unwitting victim How can I ever trust him again

It's Not You Cara D. Smith,2021-08-26 Broody bad boy Ryan LeDoux is hotter than a Houston sidewalk in July And I m pretty sure he hates my guts My overprotective mother hates that I even know his name Any association with him might tarnish my reputation He s definitely not the kind of guy she keeps setting me up with in her ongoing effort to prevent her past from becoming my future She doesn t talk about it but I m pretty sure my father was a bad boy too But I ve never met him I ve resigned myself to being some guy s trophy wife And really it s the smart thing to do The safe thing But before that happens I want just one night with someone who makes me feel something Someone who will kiss me like I ve seen my friends husbands kiss them when they think no one will notice and who can t keep his hands off me someone like Ryan But not Ryan for obvious reasons Fate is funny sometimes though A work assignment puts me on a collision course with Mr LeDoux One on one I discover he s not who I thought he was And he doesn t hate me at all A fact that becomes painfully obvious when I finally work up the courage to approach him about that one night and he shoots me down Not because he s not interested but because one night wouldn t be enough And he doesn t think he s good enough for me Can I find the courage to live life on my own terms and go after what I really want

Gifts of Love Raine Cantrell,2015-03-01 An epic western romance from the national bestselling author whose remarkable talent for recreating the West will hold you enthralled RT Book Reviews Alone and pregnant Erin Dunmore is desperate to find a husband or risk facing a hard future as a single mother She places an ad in the newspaper seeking matrimony hoping beyond hope that her dreams of a home family and love will come true Mace Dalton needs a wife to keep his home but between the hardships of living on his secluded ranch in Washington Territory and raising his rambunctious children prospects are few When he sees Erin s ad in the newspaper he reckons she may be his last chance at marriage Little does Erin know that while Mace has all the home and family she can ever want he believes love to be a thing of his past But as she settles into his house Mace finds

that she may be settling into his heart as well Now in a touching story of love and trust from one of the superstars of western romance they will both have to accept each other wholeheartedly if they are to find happiness together *Affaire de Coeur*

Right By You Cara D. Smith,2021-02-25 Leaving Gabe wasn't easy It's not that I don't love him anymore A look from him could still make me weak in the knees right up until the day we signed the divorce papers It turns out money really can't buy happiness especially not when all he ever does is work When things were good they were great especially when clothes started hitting the floor Things haven't been good for a long time though I had to do what was right for me If you love something let it go and all that I was prepared to never see him again until a mutual friend tracked me down with news that tested that resolve To prove to myself and everyone else that I'm really over him I seek him out to give us both the closure we didn't get during our divorce But the fortress I built to protect my heart isn't as secure as I thought Our time apart has changed him Or maybe it was one of his friends forcibly removing his head from a place it didn't belong if you get my drift Either way the old Gabe my Gabe is back And I'm starting to remember why I fell in love with him the first time Until an unsavory individual from his past resurfaces and things begin to unravel Do we get a second chance at happily ever after
