Tarot Card Reading (for Beginners)

Kathleen Adenauer, 2014-08-12. If you want to learn how to read Tarot Cards, then this book is for you. Many people have incorrectly categorized Tarot Card reading along with other occult fortune-telling techniques such as Ouija boards, crystal balls, palm readings, tea leaves, and so forth. However, this could not be further from the truth. Tarot is a divination system that is used to reveal possible outcomes and influences in someone's life or particular situation, and readings are most helpful if used as a platform of guidance to help inform whether or not a person is on the right path or should change course. For example, a tarot reading could give you a glimpse of events to assist in seeing whether there is impending danger or if you are on a path to self-destruction. Therefore, although tarot card readings don't reveal specifically what's in store for the future, they can certainly help to open your eyes and make more informed decisions. For those wanting to learn how to read Tarot Cards, this book serves as a fantastic starting point. Let's begin.
