## **Telling Stories About School An Invitation:**

**Telling Stories about School** Peter W. Waldron,Tani R. Collie,Calvin M. W. Davies,1999 This supplemental text for graduate curriculum or educational reform courses examines curriculum and reform through the stories of practicing teachers Taking a progressive position on schooling the book models a process for self reflection which encourages personal connections between day to day practice and a contemporary knowledge base It invites readers to challenge their experiences in schooling to question their assumptions and to examine the conventional behaviors of schooling The purpose of the book is to make the case for change and increased thoughtfulness while noting the collaborative conditions in small schools that encourage a professional challenge and conversation     **Invitations to Play** Anne Burke,2019-03-06 Through their earliest years of play children develop a substantial body of skills and knowledge The goal of this book is to bring children s play and curriculum expectations together so that children are engaged in learning that honours their existing knowledge and to help build a strong literacy foundation A perfect blend of theory and instruction this timely book offers background research ideas and strategies to create an exciting array of possibilities for using children s play as an infinitely rewarding learning resource It asks and answers fundamental questions about preparing young children for lifelong learning

**Storytelling** Janice M. Del Negro,2021-06-24 This book serves as both a textbook and reference for faculty and students in LIS courses on storytelling and a professional guide for practicing librarians particularly youth services librarians in public and school libraries Storytelling Art and Technique serves professors students and practitioners alike as a textbook reference and professional guide It provides practical instruction and concrete examples of how to use the power of story to build literacy and presentation skills as well as to create community in those same educational spaces This text illustrates the value of storytelling covers the history of storytelling in libraries and offers valuable guidance for bringing stories to contemporary listeners with detailed instructions on the selection preparation and presentation of stories It also provides guidance around the planning and administration of a storytelling program Topics include digital storytelling open mics and slams and the neuroscience of storytelling An extensive and helpful section of resources for the storyteller is included in an expanded Part V of this edition     **Traditional Tales Teacher's Resource Guide** Pam Dowson,2014-01-01 A teachers resource tool that includes teaching notes for each of the 40 Traditional Tales readers from emergent to fluent levels Teaching notes align with Common Core State Standards by providing instruction and activities that focus on story components genre features found in traditional tales fairy tales and legends and speaking and listening skills Includes blackline masters for each title     **Engaging in Narrative Inquiries with Children and Youth** Jean Clandinin,Vera Caine,Sean Lessard,Janice Huber,2016-03-24 Renowned scholar and founder of the practice of narrative inquiry D Jean Clandinin and her coauthors provide researchers with the theoretical underpinnings and processes for conducting narrative inquiry with children and youth Exploring the unique ability of narratives to elucidate the worldview of research subjects the authors highlight the

unique steps and issues of working with these special populations The authors address key ethical issues of anonymity and confidentiality the relational issues of co composing field and research texts with subjects and working within the familial contexts of children and youth include numerous examples from the authors studies and others many from indigenous communities to show narrative inquiry in action should be invaluable to researchers in education family relations child development and children s health and services Engaging Teens with Story Janice M. Del Negro,Melanie A. Kimball,2017-06-28 Based on proven theory and real life experience this guidebook provides a one stop resource for educators librarians and storytellers looking to introduce storytelling programs for young adults Storytelling is often associated with storytime and library services to young children but effective storytelling speaks to all ages including teens Engaging Teens with Story How to Inspire and Educate Youth with Storytelling offers an in depth look at storytelling for young adults that explains the benefits of storytelling with this audience what current practices are and storytelling opportunities to explore with youth It provides a unique source of expert guidance that youth services librarians professional storytellers and middle and high school teachers will appreciate Readers will learn how to find stories for teens apply proven techniques for successful telling of tales to teens use traditional literature as a basis for creative writing and establish a teen storytelling club or troupe The guide also covers how teens can create their own stories with digital media the connections between traditional folk and fairy tales and today s film television books and online media and how storytelling can be successfully used with at risk youth
