

*BRITANNIA... the wondrous land Lord British made with his own hands. A place where magic would be science and evil would fade from memory. A society so harmonious that its residents did not notice the shadow falling across their land until Lord British vanished into darkness.*

## THE TEMPER OF WISDOM

Jordan Hawson and his companions return to Hawksnest only to receive a bitter welcome: their home has been tainted by the same evil they confronted and escaped in the northern forests. Even Jordan's father, Lord Ironhawk, is in the thrall of the corrupt Inquisitor Lohgrin.

With Jordan blind and disheartened, the Inquisitor moves swiftly and without opposition. Magician Balthan is condemned as a traitor, young Squirt becomes a fugitive in his own home, but the worst befalls Althea. The beautiful young woman will become Lohgrin's bride unless her friends find within their hearts the will and courage to free themselves from the Inquisitor's malignant sorcery.
