Tempest And Exodus:

Tempest and Exodus Ralph Ellis, 2010-11-04 epub format The Tempest Stele of Ahmose I contains a quotation from the biblical account of the plagues This again demonstrates that the Israelite leaders were the Hyksos pharaohs of Lower Egypt and so the biblical Jacob was probably the Hyksos pharaoh Jacoba This earlier date for the exodus means that the biblical plagues were probably a real event caused by the island of Thera Santorini exploding and the fallout from this natural catastrophe caused a historically documented civil war and great exodus of the Hyksos Israelite people from Egypt However if these links between Egyptian and Israelite history are true then it is possible that Mt Sinai was actually the Israelite name for the Great Pyramid of Giza The sacred mountain of the Jews was actually a pyramid Sequel to Jesus Last of the Pharaohs Followed by Solomon Pharaoh of Egypt and Eden in Egypt L *Tempest & Exodus* Ralph Ellis, 2000 Whilst working on the new edition of Jesus Last of the Pharaohs the author Ralph Ellis discovered a large biblical quotation on an ancient Egyptian stele The quotation appears to be two separate accounts from both the Egyptian and the Israelite perspective of a conference in Egypt discussing the way in which the biblical Exodus should be organized The quotation has fundamental implications for both history and theology because it explains exactly what the pharaoh of the Exodus was the destruction that the Israelites wrought upon the Egyptians why the Tabernacle was constructed and why the biblical Exodus started It even explains exactly who the Israelites really were and thus why the Torah Bible and Koran were written *Shards of Illumination II* Ralph Ellis, 2024-03-11 eBook edition with colour images 520 pages of gnosis The Shards series are a compilation of hundreds of posts and articles I have written during 2022 and 2023 Both volumes cover a large selection of topics from alternative biblical exegesis to energy policy criticism to climate deception and to covid idiocy Yet the disinformation and gaslighting continues unabated and has even surpassed the peak of just two years ago When will it end I hear you ask Only when we stand up to it and call it out in public Our new age is not the Anthropocene it is actually the Deceptocene Thus we see Clerics only telling their flocks half of the gospel story Medics refusing to investigate alternative therapeutics Climate scientists amending and cherry picking data The media not investigating alternate facts and data Academics jumping on bandwagons for grant funding Politicians using cherry picked data to their advantage These many deceptions can only be the result of intentional deceit not mere incompetence Although these deceptions are invigorated by bandwagon riders those who seek personal advantage through turning a blind eye to the corruption It is time to stand up to the Woke cry bullies and break through the deception V1 9 2024 eBook colour Volume 2 See Volume 1 also on Google [The Return of the Serpents of Wisdom](#) Mark Amaru Pinkham, 1997-09 According to ancient records the patriarchs and founders of the early civilisations in Egypt India China Peru Mesopotamia Britain and the Americas were colonised by the Serpents of Wisdom who arrived in these lands after abandoning their beloved homelands and crossing great seas While bearing names denoting snake or dragon these Serpents of Wisdom oversaw the construction of magnificent civilisations within which they and their

descendants served as the priest kings and as the enlightened heads of mystery school traditions This book recounts the history of these Serpents and why they are returning now **From Light Into Darkness** Stephen S. Mehler, 2005 Presents a new interpretation of how religion evolved in ancient Egypt linking the teachings of Akhenaten and his connection to the Exodus to the real Moses and Judaism and to the Rosicrucians *Guardians of the Holy Grail* Mark Amaru Pinkham, 2004 Presenting the ancient Holy Grail lineage from Asia and how the Knights Templar were initiated into it this book reveals how ancient Asian wisdom became the foundation for the Holy Grail legend *How to Survive 2012* Patrick Geryl, 2007 In this book Geryl provides the blueprint for those wishing to survive the 2012 diaster to prepare themselves and prevail He explains in detail the myriad problems survivors will encounter and the precautions that need to be taken to overcome them
