Temple Of Ghosts:

The Temple of Ghosts Keith Brumpton, 2004 Legend has it that in the far south of the Pork i kingdom there is a crumbling old temple Anyone who can spend a night there and live to see the dawn will be rewarded with fabulous treasure By order of greedy Emperor Ping Pong the Kung Fu Pigs agree to take up the challenge But when they see the temple where they must spend the night their hearts sink like very heavy dumplings This must be the spookiest building in the whole kingdom Will any of them live to see daybreak

Burning Man Linda Noveroske-Tritten, 2024-02-06 This book centers on a philosophical analysis of creative acts at the Burning Man Festival and their roles in wider social change With particular focus on the Ten Principles of Burning Man Linda Noveroske Tritten posits a re interpretation of common notions of self and other as they apply to identity difference and the ways that these personal impulses ripple outward from changing individuals into changing societies Such radical re imagination of ideology can be most powerful when it occurs in spaces of otherness of heterotopia This study casts Burning Man as a heterotopia not only to destabilize what we think we know about visual art performance and creative encounters but also bring these acts into an attitude of immediacy that facilitates previously unimagined behavior and opens out artistic drive into the unknown This book would be of value for scholars and practitioners in Performance Studies Theatre and Dance Art History Psychology Phenomenology Humanities Architecture and Urban Studies
