Temporary Slave:

1 Master 99 Slaves Sunil Kumar,2014-05 If something is an illusion you can describe it if and only if you have escaped from the illusion The person who himself is a part of the illusion cannot describe it In India the people do not like corruption but have to be corrupt to sustain themselves The people do not want to discriminate but they have to do so to maintain superiority The people want to be true but do not know the truth The people want to be patriotic but are successful only if they are traitorous So the Indian society is an illusion This is all due to the fact that the group of people the society believes in is not faithful those who safeguard the country do not know whom to fight and whom to spare the people who control finance are not the owners of the money and the people who really work hard are paid the least This is all due to the fact that every person or flock has different ideas concepts logic or knowledge The book is decisive for the Indian society if read with a positive attitude toward humanity Vagabonds of Gor John Norman,2011-12-12 In the continental war matters proceed apace to the advantage of Cos Cabot and his friend Marcus of Ar s Station who have been spying for Ar in the Cosian encampments now seek the long inert forces of Ar to report acquired intelligence to their commander Saphronicus who proves to be of the treasonous party of Ar Cabot and Marcus are placed under arrest as spies Primary forces of Ar largely inactive in recent months are now to pursue Cosian forces withdrawing from Ar s Station through the vast Vosk delta to the sea The Cosian forces however have avoided the delta and the delta campaign is a ruse to decimate the armed might of Ar to use as a weapon the marshes and swamps of the delta itself their treacherous trackless wildernesses and wastes the quicksand the insects the serpents and reptiles the local populations to deliver a final decisive blow to what was once the unchallenged splendor and power of Gor s finest infantry Cabot and Marcus separated are sentenced as work prisoners to accompany the forces of Ar as they enter the delta with the expectation of soon overtaking and crushing the withdrawing contingents of the ubarate of Cos They are thus first hand witnesses of the tragedies and hazards the terrors and miseries of the ill fated delta campaign Should they survive the delta both will turn their eyes toward Ar the seat of treachery As warriors each will have his business in that place High Performance MySQL Baron Schwartz,Peter Zaitsev,Vadim Tkachenko,Jeremy D.
