Rutherford, 2012-01-03 Wouldn't it be great if there were accessible answers to our spiritual problems just like there's a smartphone app for calculating a tip or getting directions to the dry cleaner Most of us have heard the phrase There's an app for that popularized by the creators of the iPhone Well guess what God has an app for the common conundrums faced by Christians everywhere Stressed out Struggling with prejudice God has an app for that Problem with crude language or gossip Broken hearted anxious or depressed God has an app for that too Pastor Dudley Rutherford invites readers to explore the book of James and discover God's user friendly solutions for their biggest challenges in faith and life **Progressive**

**Creation and the Struggles of Humanity in the Bible** Zoltan Dornyei, 2018-03-22 Why does the Christian walk often feel like an ongoing struggle and why does God's creation include imperfection let alone forces that are intent on thwarting God's creative work In seeking a response to these questions this book argues that the biblical accounts describe creation in terms of a progressive transformation process whereby the initially incomplete created order will reach perfection only in the fulfillment of new creation The following discussion then outlines a comprehensive framework for the biblical theology of humanity's struggles centered on three key themes corporeal temptation deficient social structures and the much debated notion of spiritual warfare The book presents an overarching canonical narrative that threads together a series of diverse

biblical topics from Job's temptation to the Atonement. The final part surveys biblical teaching on how human conduct can be aligned with God's creative purpose and discusses three assignments from Jesus to believers to celebrate the Eucharist to pray the Lord's Prayer and to fulfill the Great Commission
