**Unseduced and Unshaken** Rosalie De Rosset,2012-08-01 You can t afford to live casually haphazardly No matter your age you were born into a plethora of expectations of what it means to be a woman How easily we assume impoverished views of womanhood as we hoist beauty and desirability above the more enduring traits of self possession and dignity We tend to live as divided and distracted selves allowing our bodies and minds to drift to opposite poles while swapping our pursuit of God for tamer lesser loves This collection of essays is more than a call to modesty or chastity It is a thoughtful provocation to speak well read often make choices that reflect the character of God and even to establish a theology of play or leisure Being intentional with your choices cultivating your intellect and taking seriously your voice determines not only what kind of person you are but also what kind of woman you will be Unseduced and Unshaken raises the bar for young Christian women
