**Tempting Traditions with Worthy Additions** Marie Louise Everson Smart,2004-03-29 As the wife of an Episcopal priest I have had the privilege to prepare and serve food for small and large groups and have through the years shared recipes with many people But when my own children asked me to compile favorite family recipes I decided to pursue the project in earnest And so my book was born The recipes are organized in the usual categories I have defined words that I think may be unfamiliar Most often I have included helpful hints and techniques I have discovered that improve the product The final chapter The Sm rgasbord re creates the grandest of our Norwegian festival traditions I have included some memories hoping that my stories will strike a chord in my readers so that they too will remember Early Christian and Jewish Monotheism Loren T. Stuckenbruck,Wendy E. Sproston North,2004-05-27 Early Christology must focus not simply on historical but also on theological ideas found in contemporary Jewish thought and practice In this book a range of distinguished contributors considers the context and formation of early Jewish and Christian devotion to God alone the emergence of monotheism The idea of monotheism is critically examined from various perspectives including the history of ideas Graeco Roman religions early Jewish mediator figures scripture exegesis and the history of its use as a theological category The studies explore different ways of conceiving of early Christian monotheism today asking whether monotheism is a conceptually useful category whether it may be applied cautiously and with qualifications or whether it is to be questioned in favor of different approaches to understanding the origins of Jewish and Christian beliefs and worship This is volume 1 in the Early Christianity in Context series and volume 263 in the Journal for the Study of the New Testament Supplement Series

Wellwarth, 1972 Dr Wellwarth's study is an account of the remarkable and extensive dramatic writing that has come from Spain since Buero Vallejo's Story of a Staircase was first produced in 1950. For political reasons almost all the plays discussed here remain both unproduced and unpublished in Spain and exist only in manuscript form thus the appellation underground drama. Both descriptive and introductory this book confines itself to the truly underground authors and does not cover such writers as Antonio Buero Vallejo, Alfonso Sastre, Carlos Muñiz and Lauro Olmo who although clearly belonging to the movement are already known to the English speaking world. Since most of the dramas dealt with here are distinguished by their political slant the few that have actually been produced in Spain have either appeared in a sharply censored form or have been licensed by the Spanish government for a single performance only. It is the author's sincere hope that in the near future the underground will become a thing of the past and that these gifted Spanish playwrights will be internationally recognized and their plays openly produced      **The Canada School Journal**, 1880      Academy and Literature Charles Edward Cutts, Birch Appleton, Charles Edward Doble, James Sutherland, Cotton, Charles Lewis Hind, William Teignmouth Shore, Alfred Bruce Douglas, Ellis Ashmead-Bartlett, Thomas William Hodgson, Crosland, 1878
