Housden says yes in this profound alternative to nonstop striving and self criticism Whether about our relationships careers or spirituality many of us judge ourselves as not measuring up But fulfillment comes when we stop struggling and learn to trust the wisdom of what life presents us with Housden wrote Dropping the Struggle as someone who up until a few years ago spent much of his time in a covert struggle with life Despite his success he often felt that something was missing He struggled for years with an ongoing spiritual longing with questions of meaning and purpose with the search for love with all the usual difficulties of being human until he finally realized though not with his thinking mind that the only thing life was asking of him was to rest in a deeper knowing that was always there usually silently behind the arguments and strategies that would so commonly occupy his conscious self Struggle will never get us the things we want most Housden writes love meaning presence freedom from anxiety over the past and future contentment with ourselves exactly as we are imperfections and all the acceptance of our mortality because these things lie outside the ego s domain For these we need another way That way begins and ends in surrender in letting go of our resistance to life as it presents itself      *Dancing with Joy* Roger Housden,2007 Celebrating the many colors and faces of joy an anthology of ninety nine poems brings together the works of seventy international poets who explore their individual interpretations of joy      *Young People's New Pictorial Library of Poetry and Prose* ,1888      **Keeping the Faith Without a Religion** Roger Housden,2014-03-01 A Compelling Exploration of the Emerging Secular Spirituality What is faith It is not something we must receive from a religion nor is it a quality we must abandon in order to be rational Faith is not the same as belief writes bestselling author Roger Housden A nonreligious

faith allows us to live with uncertainty change and mortality to embrace life in all its sublime beauty For the many who self identify as spiritual but not religious Housden s book *Keeping the Faith Without a Religion* offers us a way to embrace the extraordinary mystery of our lives without resorting to blind dogmatism or nihilistic scientism He invites us to investigate Faith and belief how our hunger for certainty and easy answers impedes the growth of a mature spirituality Guidance for building a personal faith based on your own inner experience How faith in life s uncertainty can lift us through hard times even when we know there are no guarantees Love joy and beauty what these experiences can teach us about the intelligence of the universe Today many of us seek a new approach to spirituality that honors both the rational and the mystical in equal measure With *Keeping the Faith Without a Religion* Roger Housden offers a guidebook for free thinking seekers an inspiring call to step beyond the need for one absolute truth and trust ourselves to the unfolding of our singular extraordinary life
