Ten Commandmentsbeatitudes:

The Ten Commandments and the Beatitudes Yiu Sing Lúcas Chan,2012-09-14 The Ten Commandments and the Beatitudes are often considered significant texts for the Christian moral life However most interpretations of these passages either focus on the original meaning of the text or how the texts should impact ordinary living today In The Ten Commandments and the Beatitudes Yiu Sing L c s Chan brings together biblical studies and Christian ethics to look at these foundational texts in a new way For each passage Chan asks both what the texts meant and what they mean today He helps readers to carefully study the text s original meaning then interpret the text within a sound ethical framework The Ten Commandments and the Beatitudes is an excellent introduction to key concepts in biblical studies and Christian ethics that combines sound study with warmth and wisdom

Bridging Scripture and Moral Theology Michael B. Cover,John Thiede,Joshua Ezra Burns,2019-07-02 This book comprises essays honoring the life and work of Yiu Sing L c s Chan S J who died unexpectedly on May 19 2015 at the end of his first year as a member of the faculty in the Department of Theology at Marquette University The editors intend to commemorate Chan s brief but productive career by furthering the critical conversations he started The essays included thus touch on aspects of the brilliant young Jesuit s wide ranging work in the fields of scriptural research moral theology and systematic theology Each essay either engages Chan s scholarship directly or seeks to advance his design to bridge the disciplinary gaps between scriptural research and constructive theology This book includes contributions by noted Roman Catholic theologians James F Keenan S J Bryan N Massingale and John R Donohue S J as well as two original poems by his Marquette colleagues dedicated to L c s

The Ten Commandments and the Beatitudes , *The Moral Life* James F. Keenan,2024-01-02 A profound inquiry into what prompts human beings to act morally Most foundational texts on theological ethics address either the person or society In The Moral Life James F Keenan SJ posits that these two are inextricably linked He presents eight stages of preparing for the moral life describing vulnerability as the foundation for contemporary ethics He understands vulnerability to be what establishes the human capacity for recognizing and responding to others rather than a compromised state of being Mutual recognition emerges as the first moral act of the vulnerable human He shows how conscience guides the activity of one who has first vulnerably recognized others The Moral Life offers scholars and students of Christian ethics a novel perspective on what we need to know not only to be and live morally but also to teach and share with others what they need to know
